HOW OUR SOLDIERS SHOULD BE PREPARED TO

HEALTH AND DISCIPLINE. Health and discipline are the most important elements in an army to insure success. Discipline without health, will prove as ineffectual as shot without powder. Healta is the propelling force of the army, and is the symbol of It is, therefore, of the greatest importance, that the sys

tem of medication best adapted for the protection of soldiers against sickness, as well as that known to be thmost speedy and effectual in restoring the sick to health, without regard to professional prejudice. be adopted. This is no time for medical martinents to quibble about professional dignity. All the dignity the profession can bring to bear will neither prevent sickness among the troops, nor cure tuose afflicted.
