It immediately made my face worse, as you told me it might for a time; but in a few weeks the new skin began to form under the blotches, and continued until my face is as smooth as any body'o, and I am without any symptoms of the disease that I know of. I enjoy perfect health, and without a doubt owe it to your SARSAPARILLA." Erysipelas - General Debility - Purify the

From Dr. Robt. Sawin, Houston St., New York. " DR. AYER. I seldom fail to remove Eruptions and Scrofulous Sores by the persevering use of your SARSAPARILLA, and I have just now cured an attack of Malignant Erysipelas with it. No alterative we possess equals the SARSAPARILLA you have supplied to the profession as well as to the people.'

From J. E. Johnston, Esq., Wakeman, Ohio. "For twelve years, I had the yellow Erysipelas on my right arm, during which time I tried all the celebrated physicians I could reach, and took hundreds of dollars worth of medicines. The ulcers were so bad that the cords became visible, and the doctors decided that my arm must be amputated. I began taking your SARSAPARILLA. Took two bottles, and some of your PILLS. Together they have cured me. I am now as well and sound as any body. Being in a public place, my case is known to every body in this community, and excites the wonder of

From Hon. Henry Monro, M. P. P., of Newcastle, C. W., a leading member of the Canadian Parlia-"I have used your SARSAPARILLA in my family, for general debility, and for purifying the blood, with very beneficial results, and feel confidence in commending it to the afflicted."

St. Anthony's Fire, Rose, Salt Rheum, Scald Head, Sore Eyes. From Harvey Sickler, Esq., the able editor of the Tunkhannock Democrat, Pennsylvania. "Our only child, about three years of age, was attacked by pimples on his forchead. They rapidly spread until they formed a loathsome and virulent sore, which covered his face, and actually blinded his eyes for some days. A skilful physician applied nitrate of silver and other remedies, without any nitrate of silver and other remedies, without any apparent effect. For fifteen days we guarded his hands, lest with them he should tear open the festering and corrupt wound which covered his whole face. Having tried every thing else we had any hope from, we began giving your SARSAPARILLA, and applying the iodide of potash lotion, as you direct. The sore began to heal when we had given the first bottle, and was well when we had finished the second. The child's eyelashes, which had come out, grew again, and he is now as healthy and fair out, grew again, and he is now as healthy and fair as any other. The whole neighborhood predicted that the child must die."

Syphilis and Mercurial Disease. From Dr. Hiram Sloat, of St. Louis, Missouri. "I find your SARSAPARILLA a more effectual remedy for the secondary symptoms of Syphilis and for syphilitic disease than any other we possess. The profession are indebted to you for some of the best medicines we have." From A. J. French, M. D., an eminent physician of

Lawrence, Mass., who is a prominent member of the Legislature of Massachusetts. "Dr. Ayer. My dear Sir: I have found your Sarsaparilla an excellent remedy for Syphilis, both of the primary and secondary type, and effectual in some cases that were too obstinate to yield to other remedies. I do not know what we can employ with more certainty of success, where a powerful alterative is required." Mr. Chas. S. Van Liew, of New Brunswick, N. J., had dreadful uleers on his legs, caused by the abuse of mercury, or mercurial disease, which grew more

and more aggravated for years, in spite of every remedy or treatment that could be applied, until the persevering use of AYER'S SARSAPARILLA relieved him. Few cases can be found more inveterate and distressing than this, and it took several dozen bottles to cure him Leucorrhæa, Whites, Female Weakness, are generally produced by internal Scrofulous Ulceration, and are very often cured by the alterativo effect of this SARSAPARILLA. Some cases require, however, in aid of the SARSAPARILLA, the skilful application of local remedies.

From the well-known and widely-celebrated Dr. Jacob Morrill, of Cincinnati. "I have found your SARSAPARILLA an excellent alterative in diseases of females. Many cases of Irregularity, Leucorrhœa, Internal Ulceration, and local debility, arising from the scrofulous diathesis, have yielded to it, and there are few that do not, when its effect is properly aided by local treatment." A lady, unwilling to allow the publication of her name, writes:

"My daughter and myself have been cured of a very debilitating Leucorrhoa of long standing, by two bottles of your SARSAPARILLA." Rheumatism, Gout, Liver Complaint, Dyspepsia, Heart Disease, Neuralgia, when caused by Scrofula in the system, are rapidly cured by this EXT. SARSAPARILLA.

CATHARTIC PILLS possess so many advantages over the other purgatives in the market, and their superior virtues are so universally known, that we need not do more than to assure the public their quality is maintained equal to the best it ever has been, and that they may be depended on to do all that they have ever done.
