RETURN OF FIRE INSURANCE DUTY FOR 1861.
(Ordered by the House of Commons to be printed 8th July, 1862.)

THE usual Annual Return, just published by the Government, shews that the INCREASE OF DUTY paid by the QUEEN'S INSURANCE COMPANY, in 1861 over 1860, exceed that of 38 other Fire Offices, some of which have been in operation for upwards of half a century.—While the Return shews a falling off in the amount paid by six offices, it also shows that the INCREASE OF THE QUEEN exceeded that of all the London Offices but two, and all the Scotch Offices but one, (which during the year had absorbed the business of another office.) The INCREASE OF THE QUEEN also exceeded all the Provincial Offices but two, and was nearly five times that of both the Irish Offices put together. Taking the gross amount of duty for the last two years, the Return shows that the **QUEEN** *was the only Office which in th t period had doubled the amount paid.* These facts—based upon the highest authority—prove that the eminent position thus occupied by the **QUEEN INSURANCE COMPANY** is doubtless owing to the high character of its Proprietary, and the distinguished liberality of the Directors in the *Settlement of Losses.* Gratified by the remarkable confidence hitherto reposed in the **QUEEN,** it will be the constant endeavor of the Management to sustain the high reputation the Company has already obtained.
