

"A SLIGHT COLD" COUGH. Hoarse-ness, Sore Throat, which might be checked with a simple remedy, if neglected, often terminates seriously. Few are aware of the importance of stopping a "slight cold" in its first stages; and when it has become a "cough," it is not attended to, until it has become a "bronchitis," and then it is too late.

DR. J. M. CONNELL'S "Cough Cure," is a simple, safe, and effective remedy, which will cure a "cough" in its first stages, and prevent it from becoming a "bronchitis," and thus prevent the serious consequences which often follow.

Public Speakers and Singers will find this cure most beneficial for clearing and strengthening the voice.

From Rev. J. M. CONNELL, HALIFAX, N. S. Having suffered several years with Hoarseness, which was especially subject, and having used various remedies, I have pleasure in giving my testimony as to the relief I have had in the discharge of my public duties, from the use of Dr. J. M. CONNELL'S "Cough Cure." It has been a great comfort, and has enabled me to perform my duties with ease and confidence. I have recommended them to all my friends, and many of them have used them with advantage.

The "Cough Cure" is a safe remedy, and is sold by all Druggists, and is also sold by the Proprietor, Dr. J. M. CONNELL, at his residence, 10, King Street, Halifax, N. S.

I recommend their use to Public Speakers, Singers, and all who are subject to Hoarseness, Sore Throat, and Cough.

Sold by Druggists at 25 cents a Box.
