RETURN OF FIRE INSURANCE DUTY FOR 1861.
(Ordered by the House of Commons to be printed 8th July, 1862.)

THE usual Annual Return, just published by the Government, shows that the INCREASE OF DUTY paid by the QUEEN'S INSURANCE COMPANY, in 1861 over 1860, exceeded that of 38 other Fire Offices, some of which have been in operation for upwards of half a century.

It is a fact of no small importance, that the QUEEN'S INSURANCE COMPANY is the only Office which in the period has doubled the amount paid. These facts—based upon the highest authority—prove that the eminent position thus occupied by the QUEEN'S INSURANCE COMPANY is doubtless owing to the high character of its Proprietors, and the distinguished liberality of the Directors in the Settlement of Losses. Gratified by the remarkable confidence which is reposed in the QUEEN, it will be the constant endeavor of the Management to sustain the high reputation the Company has already obtained.
