The Atlantic Monthly. Beginning of a New Volume.

I Volume of the ATLANTIC MONTHLY. From the commencement, in 1857, the "Atlantic" has rapidly increased in circulation, and it now has the largest class of readers since its beginning, five years ago. Its prosperity steadily augments, and it continues, amid all the fluctuations and dangers incident to our national crisis, to gain ground in the estimation of the public. At a time so pregnant with events which touch the future destinies of America in every vital particular, the Publishers and Editors do not deem it necessary to promise that its pages will never swerve from the honest paths of loyal patrotism and universal freedom. Its opinions have always been on the side of Liberty, Progress, and Right, and the course it first adopted in its early career, will ever be faithfully maintained.

The Staff of Writers, regularly contributing to the ATLANTIC MONTHLY, embraces all the best known authors in American literature, and warrants the Publishers in promising to its readers The Best Essays,

Ayer's Sarsaparilla.

THE WOELD'S GREAT REMEDY FOR Scrofula and Scrofulous Diseases.

From Emery Edes, a well-known merchant of Oxford, Maine. "I have sold large quantities of your SARSAPA-RILLA, but never yet one bottle which failed of the desired effect and full satisfaction to those who took it. As fast as our people try it, they agree there has been no medicine like it before in our community." Eruptions, Pimples, Blotches, Pustules, Ulcers, Sores, and all Diseases of the Skin. From Rev. Robt. Stratton, Bristol, England. "I only do my duty to you and the public, when add my testimony to that you publish of the medicinal virtues of your SARSAPARILLA. My daughter, aged ten, had an afflicting humor in her ears, eyes, and hair for years, which we were unable to cure until we tried your SARSAPARILLA. She has

been well for some months."

From Mrs. Jane E. Rice, a well-known and muchesteemed ludy of Dennisville, Cape May Co., N. J.

My daughter has suffered for a year past with a
scrofulous cruption, which was very troublesome.
Nothing afforded any relief until we tried your
SARSAPARILLA, which soon completely cured her." From Charles P. Gage, Esq., of the widely-known Gage, Murray & Co., manufacturers of enamelled papers in Nashua, N. H.

"I had for several years a very troublesome." humor in my face, which grew constantly worse until it disfigured my features and became an intol-erable affliction. I tried almost every thing a man could of both advice and medicine, but without any relief whatever, until I took your SARSAPARILLA. It immediately made my face worse, as you told me

it might for a time; but in a few weeks the new skin began to form under the blotches, and continued until my face is as smooth as any body's, and I am without any symptoms of the disease that I know of. I enjoy perfect health, and without a doubt owe it to your SARSAPARILLA." Erysipelas - General Debility - Purify the From Dr. Robt. Sawin, Houston St., New York.
"DR. AYER. I seldom fail to remove Eruptions

and Scrofulous Scres by the persevering use of your SARSAPARILLA, and I have just now cured an attack of Malignant Erysipelas with it. No alterative we possess equals the Sarsaparilla you have supplied to the profession as well as to the people." From J. E. Johnston, Esq., Wakeman, Ohio. "For twelve years, I had the yellow Erysipelas on my right arm, during which time I tried all the celebrated physicians I could reach, and took hundreds of dollars worth of medicines. The ulcers were so bad that the cords became visible, and the doctors decided that my arm must be amputated. I began taking your SARSAPARILLA. Took two bot-tles, and some of your PILLS. Together they have cured me. I am now as well and sound as any body. Being in a public place, my case is known to every

body in this community, and excites the wonder of From Hon. Henry Monro, M. P. P., of Newcastle, C. St. Anthony's Fire, Rose, Salt Rheum, Scald Head, Sore Eyes. From Harvey Sickler, Esq., the able editor of the Tunkhannock Democrat, Pennsylvania.
"Our only child, about three years of age, was attacked by pimples on his forehead. They rapidly spread until they formed a loathsome and virulent sore, which covered his face, and actually blinded his eyes for some days. A skilful physician applied nitrate of silver and other remedies, without any apparent effect. For fifteen days we guarded his hands, lest with them he should tear open the festering and corrupt wound which covered his whole tering and corrupt wound which covered his whole face. Having tried every thing else we had any hope from, we began giving your SARSAPARILLA, and applying the iodice of potash lotion, as you direct. The sore began to heal when we had given the first bottle, and was well when we had finished the second. The child's evelshes, which had come the first bottle, and was well when we had harshed the second. The child's eyelashes, which had come out, grew again, and he is now as healthy and fair as any other. The whole neighborhood predicted that the child must die."

Syphilis and Mercurial Disease. From Dr. Hiram Slout, of St. Louis, Missouri. "I find your SARSAPARILLA a more effectual remedy for the secondary symptoms of Syphilis and for syphilitic disease than any other we possess.

The profession are indebted to you for some of the

best inedicines we have." From A. J. French, M. D., an eminent physician of Lawrence, Mass., who is a prominent member of the Legislature of Massachusetts.

**Br. Ayer. My dear Sir: I have found your Sarsaparilla an excellent remedy for Syphilis, both of the primary and secondary type, and effectual in some cases that were too obstinate to yield to other remedies. I do not know what we can employ with more certainty of success, where a powerploy with more certainty of success, where a powerful alterative is required." Mr. Chas. S. Van Liew, of New Brunswick, N. J., had dreadful ulcers on his legs, caused by the abuse

of mercury, or mercurial disease, which grew more and more aggravated for years, in spite of every remedy or treatment that could be applied, until the persevering use of AYER'S SARSAPARILLA relieved him. Few cases can be found more inveterate and distressing than this, and it took several dozen bettles to cure him. bottles to cure him Leucorrhea, Whites, Female Weakness, ceration, and are very often cured by the alterative effect of this SARSAPARILLA. Many cases of Irregularity, Leucorrhœa, Internal Ulceration, and local debility, arising from the scrofulous diathesis, have yielded to it, and there are few that do not, when its effect is properly aided by local treatment."
