[From the Richmond Whig.]

The Charleston Courier makes a timely suggestion in recommending the attention of our government to the naturalization and cultivation of Calisaya, for the preservation of the health of our soldiers. The article has a peculiar effect upon the liver, and guards the system against disease by exposure and irregular diet. It is said that the great success of the Plantation Bitters of Dr. Drake which, previous to our unhappy difficulties was found in most Southern homes, was owing to the extract of Calisaya Bark House. which it contained as one of its principal ingredients .-"In confirmation of this, we have heard one of our most distinguished physicians remark, that whenever he felt unwell from ordinary dietetic or atmospheric causes, he invariably relieved himself by Plantation Bitters. Now that these Bitters cannot be obtained, a substitute should be prepared .- We understand our Government has opened negotiations with Dr, Drake, through a secret agent, but with what truth we do not know." * * * *

We are exceedingly obliged to the Richmond Whig for its remembrance of " Auld Lang Syne," but we can assure "Our Government" that the Plantation Bitters are not for sale to any "secret-agents;" North or South. There is probably several other things that "Our Government" will
