SATURDAY, JANUARY 24, 1863

Carleton Municipality.

Jan. 14th, 1863, continued.

Tavern licenses granted to the following persons:
 James Bradley, Florenceville, 6 months; H. T.
 Sebelly, Simonds, 6 months; C. Doherty, Simonds,
 6 months; H. Montgomery, Richmond, 6 months;
 C. Stephenson, Upper Woodstock, 6 months; C.
 Kearney, Florenceville, 6 months; J. J. Montgomery,
 Florenceville, 6 months; I. D. Boyer, Simonds,
 6 months; T. L. Boyer, Brighton, 6 months; Robert
 Castans, Richmond, 6 months; Patrick Small,
 Upper Woodstock, 6 months; Wingate Weeks,
 Upper Woodstock, 6 months.

Mr. Harper presented a petition from two sepa-
 rate parties in the Parish of Wakefield, one praying
 to have John Dewitt appointed Commissioner of
 Highways, and the other that the Hill Kearney, duly
 elected to that office, at the Parish meeting, may
 not be disturbed in his office. The object of both
 parties appears to be to secure the supervision of a
 bridge to be erected near Burpee's mills.

Petitions received and laid on the table.
 A petition of John McKown of Wakefield, pre-
 sented by Mr. Clark, asking to have certain taxes,
 with costs, imposed upon him in Woodstock, where
 he has no property, he having paid taxes in Wake-
 field, refunded; referred to Committee on County
 Accounts.

Committee to investigate County Accounts ap-
 pointed, as follows: Messrs. Kilburn, Dickinson,
 Ahern, Dibblee and Harper.

Mr. Dibblee read the draft of a By-Law, relating
 to Highways which he had prepared, when, on
 motion of Mr. Dibblee, seconded by Mr. Ahern, Or-
 dered that the said proposed By-Law be considered
 on Friday next.

Lists of Parish officers were confirmed for North-
 ampton, Kent, Brighton, Simonds, Wicklow, Rich-
 mond.

A petition of Lewis C. Gatchell submitted by
 Mr. Harper, asking to have an amount of tax on
 wilderness land, of which he considered he had
 none except what belonged to his cultivated lot, re-
 funded, was referred to the committee on Accounts.

Mr. Raymond presented a petition from Daniel B.
 Gray, asking to have a tax, with costs, imposed on
 him in Simonds where he has no property, refunded.
 Ordered, on motion, the amount be refunded by the
 Overseers of poor for Simonds.

On motion of Mr. Ahern a petition from J. D.
 Giberson, to the Government, for a bounty on an
 Ot Mill, erected by him in Kent, was recommended
 by the Board.

On motion of Mr. Billoch: Whereas by the for-
 mer practice of the Board, in reference to applica-
 tions for tavern license, certain parties applying for
 license are not aware of the necessity of their pre-
 sence at the Board in order to obtain their license,
 Resolved that license be granted to such persons
 upon their appearing before the Secretary Treasurer
 with the necessary bonds, within ten days after the
 session.

On motion of Mr. Connell, seconded by Mr. Ray-
 mond, the sum of ten dollars, paid by E. B. M'Isaac
 for Tavern license, at the last January session, be
 ordered to be refunded, in consideration of the fact
 stated by Mr. M'Isaac in a petition, that he never
 used such license or sold liquor under it.

On motion of Mr. Raymond ordered that \$160 be
 assessed on Simonds for the support of Poor for the
 current year.

On motion of Mr. Tompkins ordered that \$50 be
 assessed on Peel for support of Poor for current
 year. (Adjourned.)

Thursday, Jan. 15.

A resolution to rescind the action had yesterday
 with reference to taking bonds from applicants for
 Tavern license, moved by Mr. Dibblee, seconded by
 Mr. Hemphill was lost.

Tavern license ordered to Robert Kirk, Richmond
 6 mos.; James M'Alister, Wicklow, 6 mos.; Corne-
 lius Sheal, Richmond, 6 mos.; William Mills,
 Simonds, 6 mos. Wholesale license ordered to N.
 Chandler, Richmond for 12 mos.

On motion of Mr. Kilburn seconded by Mr. Hem-
 phill, ordered that Mr. Chandler have his license for
 \$20.

A good part of the day was spent in discussing a
 petition of one Mr. McAllister, praying that a fine
 of \$20 imposed upon him by Justice Milberry, for
 selling liquor to one Keif on Sunday be refunded;
 the plea of the petition being that Keif informed on
 him, McAllister, because he would not let him have
 any more liquor. It was on motion Resolved that
 James McAllister have his license for the last 6
 mos., and also for the next 6 mos., and the same be
 paid by the fine imposed on him. The whole transac-
 tion was on the following day expunged from the
 minutes, we need therefore, merely give the grounds
 of action and the result.

A motion of Mr. Kilburn, seconded by Mr. Hem-
 phill, it was ordered that a fine of \$8 and costs, im-
 posed upon Robert Castans, Richmond, for selling
 without license be refunded.

It appeared from a petition presented that Cas-
 tans bought the premises from a former tenant who
 held a license, and he supposed, so he alleged, that
 he could sell under the same.

The Council divided upon the question. Yeas—
 Dickinson, Raymond, Billoch, Lloyd, Drier, Tomp-
 kins, Hartley, Ahern, Bell, Hemphill, Kilburn,
 Clowse—12.

Nays: Connell, Dibblee, Shaw, Harper, Clark—5.
 On motion of Mr. Lloyd a by-law was ordered to
 prohibit sheep from running at large in the follow-
 ing district, viz: from David Irvin's south line to
 Charles Estey's north line on the River De Clute
 road, and running east of said River De Clute road
 to a reserved road on the west side of said David Ir-
 vin's land, and running west of said River De Clute
 road to the base line on rear of aforesaid
 Charles Estey's lands, from the 15th day of May to
 the first day of November in each and every year.

On motion of Mr. Raymond, seconded by Mr.
 Kilburn, the Secretary Treasurer was ordered to pay
 \$4 to Thomas Corbet, that being an amount due
 him by the Commissioners of bye-roads for Simonds,
 for expenses of ascertaining line of road through
 Williamstown, which Aaron Perkins, said Commis-
 sioner, has refused to pay.

On motion Joseph Kerr was appointed Ferryman
 at Patehill's Ferry, with the condition that he ex-
 pend the sum of \$4 in repairs on landing.
 Council proceeded to examination of Parish re-
 turns.

On motion ordered that \$100 be assessed on the
 Upper Woodstock road district, for road purposes.
 The committee on public accounts by their Chair-
 man, Mr. Kilburn, reported—sundry approved ac-
 counts were passed, and others referred till to-mor-
 row. (Adjourned)

Friday, Jan. 16.
 Tavern license ordered to Donald Kennedy, Rich-
 mond, 6 mos.

On motion of Mr. Kilburn, seconded by Mr.
 Hemphill, Resolved that as Mr. Kennedy deposited
 \$10 in September last with the Secretary Treasurer
 he be credited with \$5 on his license just granted.

On motion the returns of L. R. Harding, submit-
 ted at the July session, were referred to the commit-
 tee on Accounts.

On motion, Mr. John McClellan, of Richmond,
 was heard with reference to an alleged unjust taxa-
 tion, in Simonds, and the Council thereupon ordered
 that the Overseers of Poor for Simonds refund the
 amount, \$1 25, to the said McClellan.

A petition from Mr. Daniel Craig, Wicklow,
 stating that he had been fined for a trespass upon
 his own land and asking to have said fine remitted,
 was offered by Mr. Drier, but the Warden decided
 that it could not be received.

On motion ordered that \$130 be assessed on
 Northampton, and \$550 on Richmond, for support
 of Poor for current year.

On motion of Mr. Drier seconded by Mr. Ray-
 mond, ordered that the Ferry at Jones' be removed
 and established between Samuel Drost's landing
 in Wicklow and widow Hatheway's lower line, in
 Kent.

The Warden presented a petition from Lewis
 Coombes, praying to be appointed Ferryman for the
 Ferry at Frederick Phillips'.

A motion to receive and comply with this petition
 was made and seconded by Messrs. Clowse and Con-
 nell to which, on motion of Mr. Shaw, seconded by
 Mr. Dickinson, in amendment, Resolved that the
 Ferry in question be sold according to the provisions
 of the bye-law made and ordered for the govern-
 ment of Ferries.

The Council proceeded to discuss and dispose of
 the accounts submitted by the committee.

Mr. Dickinson presented a petition from Henry
 Foster, Ferryman, for Hayden's Ferry, so called,
 during the past year, praying for a reappointment,
 recommended by some 80 persons, offering \$5 for
 the Ferry and engaging to expend the same on the
 landings, under the supervision of the Commissioners
 of the districts.

On motion petition received and prayer complied
 with.

On motion the Board went into consideration of
 the petition relative to the election of Councillors
 for Northampton.

Mr. E. L. Hovey, the signer of the protest, was
 heard in reference to the allegations set forth by
 him.

Mr. Shaw moved, Mr. Hartley seconded, Whereas
 the Council has made and ordained no bye-law by
 which to try contested elections, Resolved that any
 further action in this matter of protest and petition
 be discontinued.

On motion of Mr. Dibblee, seconded by Mr. Bal-
 loch, in amendment, Resolved that the election of
 George Clowse and William Connell, Esq's., as
 Councillors for the Parish of Northampton, on the
 4th November last, be declared illegal and void, and
 that a new election for Councillors for said Parish
 of Northampton be ordered. Council divided as
 follows:

Yeas—Messrs. Balloch, Dickinson, Dibblee, Lloyd
 Kilburn—5.

Nays—Messrs. Raymond, Drier, Shaw, Clark,
 Harper, Hartley, Tompkins, Hemphill—8.

Original motion then carried by a reverse vote.
 Ordered that \$90 be assessed on Kent, and \$120
 on Wicklow, for support of Poor for current year.

[To be continued.]

Public Lectures.

We failed to notice the proposed course of lec-
 tures, last week, simply because we did not possess
 the necessary information in time. However the
 course has now been successfully inaugurated, the
 Rev. Wm. Wilson having delivered the first lecture,
 in Connell's Hall, on Wednesday evening last,
 on that subject so rich in historic interest "India."
 The audience was attentive and no doubt appre-
 ciative, but it was not, certainly, as large as the
 promoters of the course had a right to expect, and
 we can only hope that at the following lectures
 there will be a better attendance. Mr. Wilson's
 lecture was characterized by evidences of extensive
 reading, close reasoning and pathetic appeal, and
 must have clothed the interesting subject in new
 interest to his hearers. Mr. Murray lectures on
 Thursday evening next, in the same place; subject
 Noah's Flood.

Militia Promotions.

From the Royal Gazette we learn that Captain
 William T. Baird has been promoted to the rank of
 Lieut. Colonel of the first Battalion, Carleton
 County Militia, and Major J. R. Tupper to that of
 Lieut. Colonel of the second Battalion.

While these promotions are both doubtless well
 merited, that of Capt. Baird is particularly so, on
 account, not only of his actual efficiency as a com-
 manding officer, but likewise from his earnest and
 continued interest in militia matters.

We hope it will be long before these gentlemen
 are called upon to display their skill and prowess
 elsewhere than on the drill parade.

The Hon. Mr. Tilley passed through here, en
 route for Canada, on Saturday last. Rumor has it
 that his journey has some reference to the railway
 question; being to ascertain the precise nature of
 the trouble which has arisen, on the part of the
 Canadian delegates, with the supposed, final arrange-
 ment entered into with the Imperial Government.
 Judging from the tone of the Canadian papers, Cana-
 da is dissatisfied with the sinking fund arrangement
 of Mr. Gladstone, and the result may be the suspen-
 sion, for a time, of the railroad agitation; of the
 above we know nothing save by rumor.

FIRE.—We regret to learn that the dwelling house
 of Mr. Moses Y. Lonnente, Canterbury, and nearly
 the whole of its contents was destroyed by fire on
 the 14th inst. Besides the household furniture, &c.,
 destroyed, was a large quantity of breadstuff, includ-
 ing 30 bushels of corn. There was no insurance,
 and Mr. L. estimates his loss between £200 and
 £300. Mr. L. has appealed to a benevolent com-
 munity for assistance in this affliction. We hope his
 appeal will not be in vain.

The fineness of the weather has become a familiar
 theme. Everybody appears to coincide in the opin-
 ion that such a pleasant winter, was never before,
 in this country, experienced. But in the enjoyment
 of the same the fair intruders itself that the
 grass must suffer, as it is entirely uncovered, and
 exposed to the thaws and frosts which alternate so
 constantly.

The publication of the Town accounts and min-
 utes of the County Council in this number, pre-
 cludes the usual amount of Editorial notice.

The Treasurer of the Lancaster Relief Fund ac-
 knowledges the receipt of the following sums:—
 Wm. Forest, \$4 00 Robt. M'Intyre, \$1 00
 Jas. Savage, 4 00 Wm. M'Intyre, 1 00
 Thos. Campbell, 4 00 Robt. Kirk, 1 00
 Peter Haynes, 2 00 H. Montgomery, 50
 Chas. Turney, 2 00 Saml. Porter, 25
 Jas. Turney, 2 00 John Bonner, 1 25
 Thos. Turney, 1 00 Andrew Fleming, 2 00
 James Jordan, 4 00
 Amount from Episcopal Church, Woodstock,
 and Richmond should have been 49 53
 instead of \$40 53 as we gave last week.

The Reporter led us astray as to the time of the
 meeting of the Legislature. It is the 12th, not the
 11th as stated by us last week.

Mr. James Rankin killed, about the 10th Novem-
 ber last, 6 Berkeleys, 272, 272, 268, 263, 253 and
 248 pounds; or in all 1582 pounds.

We cannot notice the *Guardian* this week, it dis-
 posed of us so next issue.

Jewelers should read J. A. Salisbury's adver-
 tisement in another column.

Communicated.

[To the Editor of the Carleton Sentinel.]

Sir,—In your last article on Departmental Govern-
 ment, I perceive that you have issued with our
 ex-Premier, a General. In his letter to the Lieut-
 enant Governor tendering his resignation, I think
 he advocates the principle, that each head of de-
 partment should be absolute in his respective office.
 You state that the Executive, as a body, are re-
 sponsible for the acts of each head of a department.
 Now it would be both unreasonable and unjust,
 that they should be responsible for acts over which
 they had no control. It would be reducing them
 to the lowest degree of servility, to say that they
 must endorse the actions of a public functionary,
 when perhaps every one of them but the individual
 himself, could see the inconsistency of such actions.
 I must say, however, that I fully coincide with you
 in the view you have taken, and although your
 ideas on Departmental Government discover a very
 perceptible tincture of Conservatism, yet I think
 that they are far more liberal than the individual
 and I must say that I think the intelligent
 part of the community are becoming more Conser-
 vative than they once were, and that they are be-
 coming alarmed lest in the popular frenzy every-
 thing should go by the board, as in our neighboring
 Republic. As your object is to bring about a
 change, I shall not be too prolix at present.
 Yours, &c.,
 A CARLETONIAN.

Colonial News.

According to the Colonist the story in Halifax is
 that Mr. Howe has been appointed Fishery Com-
 missioner with a salary less by £250 sterling than
 Mr. Perley had.—*Freeman*.

SUDDEN DEATH.—A man in the employ of Ste-
 phen Glazier, Esq., of Lincoln, died very suddenly
 on the evening of Monday last. He had attended
 to his work, as usual, through the day, and re-
 turned to his family in the evening; and after provid-
 ing for the needs of his family retired to his bed,
 at the usual time without complaining. His wife
 being at work in the room where he lay, they con-
 tinued to converse for some time together, when
 suddenly she became alarmed by a singular noise
 which he made, and on his remaining silent, she
 went to the bed and shook him, but to her great
 horror, he was already dead. We are told her grief
 was insupportable. The man's name was Williams.
 He, with his wife and two children, came out from
 Scotland only a few months ago, and has since been
 in the employ of Mr. Glazier.—*Religious Intelligencer*.
