PROSPECTUS OF THE TWELFTH VOLUME OF THE

"Atlantic Monthly."

The July Number commences the Twelfth Volume of the **Atlantic Monthly**, and will contain such a list of contents as will entitle it to marked consideration. Nathaniel Hawthorne contributes for the first number of the new volume "Outside Glimpses of English Poverty," one of the most interesting of his admirable English Sketches. Oliver Wendell Holmes has written for it "The Doings of a Sun Beam." Robert Dale Owen discusses "The Claims of Labor or Service," and presents some new views for the study of the people of America. Gail Hamilton continues her popular "Gala-Days." Professor Agassiz offers another eloquent paper on Mountains. And many other articles, of equal value with the above, will be included in the forthcoming number.

Began in 1857, the **Atlantic Monthly** has now reached its sixty-eighth number. Its circulation increasing largely from the start has given it such a currency throughout the country as no other American magazine has ever acquired. Its faith in impartial Liberty as a principle, and its warfare against Despotism in every form, have made it a welcome visitor, far and wide, every month. It does not abate, in these our days of trial and battle, one jot of that firm belief in the brighter days to come which Right and Justice are sure always to win, but its future pages will show an increased activity in placing before the minds of the people an unfaltering confidence in the power of the North to limit the existence of a rebellion founded in cruel injustice and oppression.

The prosperity of the **Atlantic** enables its conductors to employ the most eminent talent of the country in its columns. All the best known writers in American literature, contributing constantly to its pages, give it the sole right to be known as our *national* magazine. Its staff still comprises the following names among its leading contributors:

James Russell Lowell.
Henry W. Longfellow,
Louis Agassiz,
Ralph Waldo Emerson
Nathaniel Hawthorne
C. C. Hazewell,
T. W. Higginson,
Author "Margret Howth,"
Mrs. Julia W. Howe,
Mrs. A. D. T. Whitney,
Oliver W. Holmes,
John G. Whittier,
E. P. Whipple,
Bayard Taylor,
Charles E. Norton,
George S. Hillard,
Henry Giles,
Walter Mitchell,
Henry T. Tuckerman,
John Weiss,
Mrs. H. B. Stowe,
Harriet Martineau,
Charles Reade,
"The Country Parson,"
Rose Terry,
Harriet E. Prescott,
Robert T. S. Lowell
J. T. Trowbridge,
Edward Everett,
Professor A. D. White.

The foregoing list, it will be seen, includes the "Leading American Writers, and is such as to warrant the publishers in promising *the Best Essays, the Best Stories, the Best Poems*, which American Talent can furnish.

TERMS—The ATLANTIC is for sale by all Book and Periodical Dealers. Price 25 cents a number. Subscriptions for the year $3, postage paid. Yearly subscriptions received, or single numbers supplied by any dealer, or by the Publishers.

MILK PANS.

IT has been decided by the best judges, that Milk set in **Shallow TIN PANS** will make more cream than can be made in any other vessels. From experiments made with Wooden, Earthen and Tin vessels, it has been found that the

Cream Rises Quicker,

and consequently sweeter, from MILK SET IN TIN, than in either earthen or wooden vessels. Now, if that is so? and there are thousands who believe it! why not use them when they can be BOUGHT SO CHEAP?

Please call on **A. J. SMALL**, at his Shop, near the "Blanchard House," and get his prices, which are one notch below any thing you ever heard of.

The credit system is, at best, a miserable one, involving untold labor, as well as loss; and bad because burdensome for all parties. In making this change, from a Credit to a Cash system, no one will be injured, while I hope to relieve myself of the endless, incessant labor, now involved in KEEPING BOOKS.
