Ordered by the House of Commons to be printed 8th THE usual Annual Return, just published by the Government, shews that the INCREASE OF DUTY paid to by the QUEEN'S INSURANCE COMPANY, in 1861 over 1860, exceed that of 38 other Fire Offices, some of which STAGE HOUSE TOBIQUE. have been in operation for upwards of half a century. — While the Return shews a falling off in the amount paid by six offices, it also shows that the INCREASE OF THE QUEEN exceeded that of all the London Offices but two, and all the Scotch Offices but one, (which during the year had absorbed the business of another office.) The In-CREASE OF THE QUEEN also exceeded all the Provincial Offices but two, and was nearly five times that of both the Irish Offices put together. Blood Spavin, Weak Knees, Wind Galls, Founder, Thorough-Pin Swelled Legs, Sprained Shoulder, Sprained Fetlock Joints, Ring-bone, Hard Hoofs, Scratches, Bruises, Horse distemper, Fresh Wounds, The Proprietor of the above named Liniment, is well aware that the Public have learned to look upon all New Remedial Discoveries with a great amount of prejudice and doubt; he therefore wishes to state most sincerely, that he does not claim for this preparation Cure-all Virtue. The efficacy of STURGEON OIL as an external application, is no new discovery. For many years past it has been used by some of the most celebrated physicians and veterinary surgeons of Europe. The object of the Proprietor in his experiments for the last six years, has been to compound Good Oil on hand for greasing Wool if required a Liniment containing all the virtues of pure Sturgeon Oil, together with many other well-known curative and healing ingredients, and he firmly believes that a fair trial of this Liniment will convince any and every person
