CARLETON, TO-WIT:

The sale of the Plantation Bitters is without precedent in the history of the world. There is no secret in the matter. They are at once the most speedy, strengthening health-restorer ever discovered. It requires but a single trial to understand this. Their purity can always be relied upon. They are composed of the celebrated Calisaya Bark, Casahuate Bark, Dandelion, Chamomile Flowers, Lavender Flowers, Water-ginger, Anise, Clove-buds, Orange peel, Snake-root, Caraway, Coriander, Burdock.

S. T. 1860. X. &c. They are especially recommended to dyspegmics, public speakers, and persons of literary habit and sedentary life, who require free digestion, a relish for food, and clear mental faculties.

Delicate females and weak persons are certain to find in these Bitters what they have long looked for. They purify, strengthen and invigorate. They create a healthy appetite.

They are an antidote to change of water and diet. They overcome effects of dissipation and late hours. They strengthen the system and enliven the mind. They prevent misanthropic intermittent fevers.

They purify the breath and acidity of the stomach. They cure Dyspepsia and Constipation. They cure Diarrhea, Cholera and Cholera Morbus. They cure Liver Complaint and Nervous Headache. They are the best Bitters in the world. They make the weak man strong, and are exhausted nature's great restorer.

The following startling and emphatic statements can be seen at our office.

Letter of Rev. E. F. CRANE, Chaplain of the 10th New York Regiment:

NEAR AQUITA CREEK, March 4th, 1863. Owing to the great expense and terrible decomposition after the battle of Antietam, I was utterly prostrated and very sick. My stomach would not retain medicine. An article called Plantation Bitters, prepared by Dr. Drake, of New York, was prescribed to give me strength and an appetite. To my great surprise they gave me immediate relief. Two bottles almost allowed me to join my regiment.

I have since seen them used in many cases and am free to say, for hospital or private purposes I know of nothing like them.

Rev. E. F. CRANE, Chaplain.

Letter from the Rev. N. E. GILDS, St. Clairville, Pa:

GENTLEMEN:—You were kind enough, on a former occasion to send me a half dozen bottles of Plantation Bitters for \$3.50. My wife having derived so much benefit from the use of these Bitters, I desire her to continue them, and you will please send us a bottle more for the money enclosed.

I am, very truly, yours N. E. GILDS, Pastor Gen. Ref. church.

SOLDIERS' HOME, SUPERINTENDENT'S OFFICE, CINCINNATI, Ohio, Jan. 16th, 1862.

I have given my Plantation Bitters to hundreds of our noble soldiers who stop here, more or less disabled from various causes, and the effect is marvellous and gratifying. Such a preparation as this I heartily wish in every family in every hospital, and at hand on every battle field.

G. W. D. ANDREWS, Superintendent.

Dr. W. A. CHILDS, Surgeon of the Tenth writes:—"I wish every soldier had a bottle of Plantation Bitters. It is the most effective, perfect, and harmless tonic I ever used."

WILLIAM'S HOTEL, WASHINGTON, D. C., May 24, 1863.

GENTLEMEN:—We require another supply of your Plantation Bitters, the popularity of which daily increases with the guests of our house. Respectfully,

W. B. BARKER, St. John.

To be sure that every bottle bears the fac-simile of our signature on a steel plate label, with our private stamp over the cork.

W. B. DIBBLEE, Sheriff of the County of Carleton. Woodstock, June 1st, 1864.

To the Independent Electors of Carleton County.

GENTLEMEN:—A writ has issued for the Election of a Member to serve in General Assembly, in the room of David Munroe, Esq., resigned.

The desire has often been expressed by the people of this County to have at least one Representative of the Agricultural interests in the House. I have been solicited by a great many of my fellow electors, in various parts of the County, to allow myself to be put in nomination at the present Election, and after mature consideration, have consented. I am a practical Farmer; my interests are, and always have been, closely identified with the industrious pursuits of the County, especially that most important of all industries, Agriculture. My experience in the wants of the County and its general business, has been, as most of our fellow electors, extensive, and its local necessities have been more especially made familiar to me in my capacity as a County Councillor, to which post I have been several years elected.

The prosperity of the County, your prosperity, and the general well being of the Province are identical with my own personal interests. In serving you faithfully, I will be doing as much for my fellow electors, as for myself. I have for many years watched closely the proceedings of our House of Assembly, and have carefully marked the effect of its legislation in the country, I therefore think I am somewhat qualified to judge as to the measures which will be for your benefit, and what would be likely to prove injurious. I shall have pleasure from the hustings, on the 18th inst., in explaining to you my views on the various matters in which we are mutually interested, and meanwhile remain your obedient servant.

DAVID N. RAYMOND. Simonds, June 1st, 1864.
