The sale of the Plantation Biiters is without precedent in the history of the world. There is no secret in the matter. They are at once the most speedy, strengthening health-restorer ever discovered. It requires but a single trial to understand this. Their purity can always be relied upon. They are composed of the celebrated Calisaya Bark Cascarilla Bark, Dandelion, Chamomile Flowers, Lavender Flowers, Wintergreen, Anise, Clover-buds, Orange peel, Snake-root, Caraway, Coriander, Burdock. S.-T.-1860-X. &c.

They are especially recommended to clergymen, public peakers, and persons of literary habits and sedetaary life, who require free digestion, a relish for food, and clear mental faculties.

Delicate females and weak persons are certain to find in these Bitters what they have so long looked for.

They purify, strengthen and invigorate. They create a healthy appetite.

They are an antidote to change of water and diet. They overcome effects of dissipation and late hours. They strengthen the system and enliven the mind. They prevent miasmatic and intermittant fevers.

They cure Diarrhea, Cholera and Cholera Morbus. They cure Liver Complaint and Nervous Headache. They are the best Bitters in the world. They make the weak man strong, and are exhausted natures great restorer.
