cessions,' and the people run to arms, and, instead of those compromises which elsewhere conclude such crises, we have a battle, and of course, victors and vanquished. These difficulties, I repeat, are not insurmountable; and I say without hesitation, that the true founder of our liberties, and that is a title which would perfectly befit the founder of a dynasty, will be the sovereign who shall know how to solve these difficulties."

THE RECENT CALAMITY AT SANTIAGO, CHILE—A fortnight's later intelligence from the West coast of South America has been received. Concerning the recent calamity at Santiago we have the following news:—

"The terrible event has continued during the past fortnight to occupy the minds of the people. On every hand indignation has been expressed at the fanaticism of the priesthood, which was the cause of so horrible a catastrophe, and at the cruel heartless conduct of those priests connected with the church which was burned. With one mind the people of Santiago demanded that the building should be razed to the ground and had not Government issued an order to this effect notwithstanding the most strenuous efforts of the priests most certainly the people would have done the work themselves; and now a struggle goes on between the priests and people; the former, if possible, to regain the power and influence they have lost, and the people to assert their own freedom of thought.

By the voice of the people the first result has been obtained in an act of the Senate that henceforth there are to be no illuminations of churches and splendid night services, and that proper measures are to be carried out in all the churches as to proper construction and sufficient number of doors.

While this has been carried, the clergy have arranged the publication of a new newspaper for the defense of 'religious interests.'

Another result of this calamity is the organization of a fire brigade for Santiago, and much enthusiasm has been displayed in this matter. The fire companies in Valparaiso are the most popular of the social institutions of the city.

Two thousand one hundred corpses extracted from the 'Campania,' have been registered at the burial ground. Besides those a number of single limbs and pieces of bodies have been found, and not a few sufferers have died afterward from effects of burns, and about 2500 altogether may be safely estimated to have perished through the priests' folly and imprudence.

On the 31st December a similar calamity had nearly befallen the worshippers in the San Isidro Church. One of the numerous candles on the alar came in contact with a pot of artificial flowers, and although the fire was immediately extinguished, there was such a great confusion, rushing to the doors, falling and crying that the service had to be closed for the night."

JACKSONVILLE, Dec. 30th 1863.

I had, for five years, been afflicted with Chronic Diarrhea producing constant distress; more than two years ago I took a cold in my head which settled in my eyes, becoming afflicted with sore eyes that sometimes affected my sight, and for the greater part of the time I suffered with headache. These diseases were increasing in severity this fall, until I commenced the use of Graham's Pain Eradicator and his Elixir Balsam, which gave immediate relief, and in less than two weeks made a complete cure. I have found it to surpass anything I have ever known for curing burns.

The sale of the Plantation Bitters is without precedent in the history of the world. There is no secret in the matter. They are at once the most speedy, strengthening health-restorer ever discovered. It requires but a single trial to understand this. Their purity can always be relied upon. They are composed of the celebrated Calisaya Bark Cascarilla Bark, Dandelion, Chamomile Flowers, Lavender Flowers, Wintergreen, Anise, Clover-buds, Orange peel, Snake-root, Caraway, Coriander, Burdock.

S.—T.—1860—X. &c.

They are especially recommended to clergymen, public peakers, and persons of literary habits and sedetaary life, who require free digestion, a relish for food, and clear mental faculties.

Delicate females and weak persons are certain to find in these Bitters what they have so long looked for.

They purify, strengthen and invigorate.
They create a healthy appetite.
They are an antidote to change of water and diet.
They overcome effects of dissipation and late hours.
They strengthen the system and enliven the mind.
They prevent miasmatic and intermittant fevers.
They purify the breath and acidity of the stomach.
They cure Dyspepsia and Constipation.
They cure Diarrhea, Cholera and Cholera Morbus.
They cure Liver Complaint and Nervous Headache.
They are the best Bitters in the world. They make the weak man strong, and are exhausted natures great restorer.

The following startling and emphatic statements can be seen at our office.

Letter of Rev. E. F, CRANE, Chaplain of the 107th New York Regiment:

NEAR ACQUIA CREEK, March 4th, 1863.

Owing to the great exposure and terrible decomposition after the battle of Antietam, I was utterly prostrated and very sick. My stomach would not retain medicine. An article called Plantation Bitters, prepared by Dr. Drake, of New York, was prescribed to give me strength and an appetite. To my great surprise they gave me immediate relief. Two bottles almost allowed me to join my regiment.

* * * * I have since seen them used in many cases and am free to say, for hospital or private purposes I know of nothing like them.

REV. E. F. CRANE, Chaplin.

Letter from the Rev. N. E. GILDS, St. Clairsville, Pa:

GENTLEMEN:—You were kind enough, on a former occasion to send me a half dozen bottles of Plantation Bitters for $3 50. My wife having derived so much benefit from the use of these Bitters, I desire her to continue them, and you will please send us six bottles more for the money inclosed.

I am, very truly, yours

I have given your Plantation Bitters to hundreds of our noble soldiers who stop here, more or less disabled from various causes, and the effect is marvellous and gratifying.

Such a preparation as this I heartily wish in every family in every hospital, and at hand on every battle field.

ONE OF HUNNEWELL'S GREAT REMEDIES.

HUNNEWELL'S ECLECTIC PILLS.—THE TRUE FORM OF A CATHARTIC.—By the application of true Medical Laws, both character and economy are combined in this most valuable Pill. To prevent putting into the stomach such quantities of indigestible and injurious drugs usually contained in Pills that require from four to six to get a decent cathartic, and to prevent the *Griping Pains* so erroneously judged to be evidence of character, was the study in this developement. The dose seldom exceeding *one*, and never more than *two* Pills, settles the question of economy, and confidence is asked to test their true character in *Dyspepsia, Costiveness, Biliousness, Liver Complaints, Piles*, all derangements of the *Stomach* and Bowels, and as a true Family Pill. For *Worms* they are a sure cure.
