Agricultural Show.

The attendance at the Show of the Carleton County Agricultural Society, on Friday, 23rd ult. was as large as usual, and the quantity of exhibited be remedied, and the settlers have free and easy articles was quite up to the average. There were access to their Shire Town. It has been raining some farmers on the ground with stuff exhibiting for the first time, thus showing that the persistent pretty steadily since my last, and I have to repeat what I stated before, that an immense loss will acefforts of the Society are being rewarded, if it crue to the farmers from this continued wet weabut slowly. There is great room for improvement, ther. Truly it is a sad and disheartening sight for however, and agriculturists have not. generally, the husbandman to see large fields of grain, which learned to regard these shows in their true light, he has watched with so much pride from its birth as offering incentives to improvement in the kinds to maturity-over which he has expended so much and quality of their productions, from an interest labor, and to which he looked forward as the means in, and for the sake of, such improvement, rather of sustenance for his family-to see it sweating, and than as a mere medium through which they may rotting on the ground. It is no wonder that there obtain a few dollars premium.

We shall not attempt to make a critical and par- are long faces seen in this section. Nor are the lumbermen likely to be benefitted by the rain to ticular reference to the various articles on exhibition; the award of the judges will shortly be pub- that degree that was expected; notwithstanding eral appearance of which and the advancement influence to repress the prevalent disorders. lished, and the greater portion of the articles will, the quantity of rain which has fallen, the streams we expect, go to Fredericton, and there will de- and river still remain at a low pitch; and it will

years, there will be a reconstruction of the Governments of the earth-a reconstruction the result of providential developements as irresistable as they are certain.

Communicated.

I reached here this evening, just in time to enjoy TO THE EDITOR OF THE CARLETON SENTINEL. the intellectual part of a tea-meeting, which the SIR,-Our Circuit Court closed to-day, and the udges and lawyers have left for Woodstock, some ting a debt hanging over their Chapel, which by travelling by land and some hy water. The business of the Court was of more than ordinary importance, several new and interesting " points" (as meeting house referred to, when Hon. Charles Con- lawyers say) having been started. Since the adjournment of Court, we have relapsed into our orpriate remarks addressed the assembly; the meetdinary state of dullness, some few of us only anticipating a visit to Fredericton, to attend the Exhiwas neither in the humor nor prepared to take notes likely to be sent from the County, is a pig belongbition. The only thing that I have heard of as ing to James Tibbits, Esq., which is about as large as a Madawaska cow, and is said to weigh 700 lbs. and which, I believe, " can't be beat." Of political news, of course, I can tell you but little. The power to retain on the Bench a gentleman so emi- tlements of Glassville, Knolesville, Johnsville, &c., only talk is that the Solicitor General's visit was short Enfield Rifle, used by many Volunteer Combut as I intend following their " tracks in the mud" rather political than professional, and that he is panies at home, is not issued, and never has been nent for ability and stern integrity as was Judge through these settlements, I may have something feeling his way among the "free and independent Parker; one whose place once vacant it would be more to say on this point in another letter. There electors" of this County in the event of his meeting vince. It is obviously impossible that all Compandifficult to fill; one who would do honor to any was some music of more than ordinary excellence with a strong opposition in St. John, at the next Judicial Bench in the world. His hon, then pro- produced by a choir, led by a melodeon, at which general election. Our people are not satisfied with Mrs. Baird presided. In regard to the tea-meeting, their present representatives, and are determined ceeded to remark upon the several cases to be sub- judging from the remarks of the speakers, and what on some change. Their former member, James mitted to the Grand Jury who, he regretted would I have learned since, the whole thing was gotten Tibbits, Esq., appears to stand well in their estihave more than ordinary work to do, inviting their up and conducted in a manner that reflected great mation at present. with a severe cough, pain in the breast and side, and so distressing that I could scarce rest at night, and was supposed to be laboring under Liver Complaint Graham's Pain Eradicator, which gave immediate relief, and in ten days I was quite well, and although I took a large quantity by mistake, I found it to be perfectly safe. Mrs. Bishop has also been cured of a severe cough in a few days by its use. I believe it to be the best medicine I have ever used.

At New York on the 20th of June, by the Rev. R. C.

They are especially recommended to clergymen, public in tin boxes. There is not a single article in this who require free digestion, a relish for food, and clear men-

Delicate females and weak persons are certain to find in these Bitters what they have so long looked for. They purify, strengthen and invigorate. They create a healthy appetite. They are an antidote to change of water and diet. They overcome effects of dissipation and late hours. They strengthen the system and enliven the mind. They prevent miasmatic and intermittant fevers. They purify the breath and acidity of the stomach.

They cure Dyspepsia and Constipation. They cure Diarrhea, Cholera and Cholera Morbus. They cure Liver Complaint and Nervous Headache. They are the best Bitters in the world. They make the reak man strong, and are exhausted natures great restorer.

The following startling and emphatic statements can be sen at our office. The city may be shelled, for its immediate lines

Letter of Rev. E. F, CRANE, Chaplain of the 107th New may be the scene of a bloody battle. for it will be York Regiment :

defended as no other place has been. Upon the NEAR ACQUIA CREEK, March 4th, 1863. Owing to the great exposure and terrible decomposition after the battle of Antietam, I was utterly prostrated and very sick. My stomach would not retain medicine. An article called Plantation Bitters, prepared by Dr. Drake, of New York, was prescribed to give me strength and an appetite. To my great surprise they gave me immediate remore men. The details must be revoked, and all lief. Two bottles almost allowed me to join my regiment * * * * I have since seen them used in many cases and am free to say, for hospital or private purposes I know oi nothing like them.

REV. E. F. CRANE, Chaplin.

Letter from the Rev. N. E. GILDS, St. Clairsville, Pa: GENTLEMEN :- You were kind enough, on a former occa sion to send me a half dozen bottles of Plantation Bitters for use of these Bitters, I desire her to continue them, and you will please send us six bottles more for the money inclosed.

I am, very truly, yours

N. E. GILDS, Pastor Gen. Ref. church.

SOLDIERS' HOME, SUPERINTENDENT'S OFFICE,) Сімсімматті, Оніо, Jan. 15th, 1862.

I have given your Plantation Bitters to hundreds of our noble soldiers who stop here, more or less disabled trom va ous causes, and the effect is marvellous and gratifying. Such a preparation as this I heartily wish in every family in every hospital, and at hand on every battle field.

G. W. D. ANDREWS, Superintendant.

I have been troubled for more than two months \$3 50. My wife having derived so much benefit from the ALBERT BISHOP.
