SATURDAY, DECEMBER 31, 1864.

The Year. tants, lifts its terrible crest and works its fearful occasion were delightful. ravages. In almost every portion of the world, and participated in, more or less directly, by every nation, do we find war. The following is a list of the In an English paper of a late date we read, with may pass a prohibitory by-law and submit it to the

the latter doth o'er earth's And light her torch at nature's funeral pile." But while such a dark picture is presented by other nations, there is manifest cause for thankfulness in the present state of things in our own Province and in the mother country. While other nations are in the vortex of war, England talks of a reduction of her war establishment; while other nations feel the bitterness of intestine war, her people are peacefully and loyally and industriously inclined, appreciating the blessings they enjoy, under the best form of government God has ever entrusted to man. So we in this Province enjoy both peace and plenty, and blessed in our "basket and our store," behold on every hand the evidence that our people are hardy, intelligent, enterprising. But we stand, it may be, upon the threshold of a our history as the history of a small, a weak, a struggling, dependent Province; yet one whose histo us the simple virtues-for virtue and religion are penal clauses that the chief merit of Sir Fitzroy rich in their simplicity-which our fathers perpetu- Kelly's proposal lies.
