Reconnoisance 72 miles above Alexandria on Red River engaged enemy capturing 200 prisoners and 4 pieces Ar-Forrests' command reported returned to Tenn. Gold 164.

COMMODORE WILKES -- Commodore Wilkes is to be court-martialed at Washington, for alleged misconduct, while in command of the "flying squadron' sent to the West Indies in the autumn of 1862. to Woodstock, or on the premises to guard American commerce against depredations of rebel privateers. About the same time the steamer Vanderbilt was placed under command of Commander Baldwin, with orders to proceed first to the West Indies, in search of the Alabama, and if he should become satisfied that the privateer had left the Gulf and gone to some other locality, he was directed to cruise along the coast of Brazil, to Fernando Noronha and Rio de. Janeiro, and thence the Cape of Good Hope, &c. But it is charged that Commodore Wilkes, on falling in with the attached her to his squadron, and did not release Vanderbilt, and for disrespectful letters on the sub- mentioned, so that it will be impossible for parties not to jects which Commodore Wilkes, addressed to the be suited, and as our Stock is large, will be Secretary of the Navy, he is to be tried. Admiral Gregory will be President of the court martial, and Charles Eames, Esq. of Washington, will act as COULTERS, which adds greatly to the value over those Judge Advocate. Hon. Reverdy Johnson, it is imported. stated, will conduct the defence.

TERRIBLE ACCIDENT IN SPRINGFIELD .- The city of Springfield was startled on Wednesday afternoon by the sound of a double explosion, which proved to be caused by the blowing up of the cartridge factory of C. D. Leet & Co., on Market street. About forty hands, mostly girls, were employed in the building where the accident occurred and a very large number were more or less injured. Three were so bad. ly burned that they died before night, and a number more were reported in a critical condition. Ma- 1864 ny had their clothes burned entirely off, and still more were injured by leaping from the third story windows upon neighboring roofs or even into the street, as all three flights of stairs were demolished by one of the explosions. Some whose clothes were set on fire ran shricking through the streets, enveloped in flame, and altogether the scene was one of horror not easily imagined. There were many in- Fresh Garden and Field Seeds, comprising all the most stances of the noblest heroism, men rushing learless- approved varieties of ly into the burning building to remove kegs of powder and prevent still more explosions. The proprietors of the shop are deemed highly censurable for carelessness the effects of which have long been manifest in minor accidents, and which has culminated in this tragic catastsophe.

LATER FROM ENGLAND

[By telegraph to the Sentinel.] Arrival of the Africa.

The Africa from Liverpool 19th arrived at Halifax on the morning of the 30th Parliamentary .- On 16th, Bill abolishing certain reli-

gious tests in order to obtain degrees at Oxford, passed second reading by Government, majority 22, amidst considerable cheering. On the 17th Palmerston said could not produce opinions of law officers in Tuscaloosa case. Palmerston also stated they had good reason to believe Danish Government would assent to conference proposition. Sir H. S. Tracey moved that statement made at trial of Greco implicating

Mr. Stansfield in plot to assassinate French Emperor deserved serious consideration of House; motion supported by D'Israeli, Packington and other opposition members. Stansfield defended himself and reiterated denial of complicity in matter. Palmerston said he had no explanation Wares, &c. to make to French Government, he knew Stansfield was uncapable of such conduct, motion rejected 61 to 17; generally regarded as attack upon whole Government.
