FELLOWS'
WORM LOZENGES

are without exception, the most ex-
traordinary Medicine of the Age.

—COMPRISING AS THEY DO—
Remarkable power in Expelling Worms,
WITH PLEASANT TASTE and PERFECT SAFETY.

THEY CONTAIN
No Mercury.
No Mineral
No Turpentine.
No Oil of Wormseed.
No Poison.
Nothing Injurious.

They are entirely Vegetable.
Make Pale Faces Rosy,
A Health Restorer.
The Children's Friend.

BY THEIR USE
THE DWELLING PLACE OF
WORMS

is made disagreeable to them
and thereby they cause their
EXPULSION.

SYMPTOMS OF WORMS.
Itching of the nose, feverishness, twitching or
starting suddenly during sleep, pain in the stom-
ach, loss of flesh, paleness with hectic, appetite
sometimes voracious at others feeble, a
dullness of the eyes, drowsiness, a swelled
upper lip, tongue whitely furred and stud-
ded with red spots, fetid or garlic breath,
grinding of teeth during sleep, a sensation of lodg-
ment in the throat, an unnatural craving for dirt,
chalk, or clay, fretfulness and irritability of tem-
per, cholera, fits and palsy.

Intestinal Worms
Are among
the first to under-
mine the constitution in
the list of diseases. They often
occasion severe disease, ending sometimes
fatally, particularly when they ascend to the stom-
ach. Their presence in their most ordina-
ry situation is attended with unfa-
vorable effects upon the
general health.

Eminent Men Assent
That all are more or less troubled with worms, and
that MANY DIE ANNUALLY FROM THIS CAUSE, who, by
the timely administration of a proper remedy would
be saved.

FELLOWS'
WORM LOZENGES
may be taken without any unpleasant result, and
as most children are fond of them, their use is re-
commended to those apparently healthy, and thus
dispel the cause of what would produce suffering.

Be Careful what you Use.
Various
remedies have
from time to time been
recommended, such as Calomel, Oil of
Wormseed, Turpentine, &c., so that dangerous and
even fatal consequences are produced. The neces-
sity of a safe and sure remedy has caused much re-
search and study by the proprietors of
FELLOWS' WORM LOZENGES.

They are positively safe, pleasant and
effective. They do not kill the worms, but act by
making their dwelling place disagree-
able to them.

Avoid Deception.
Very
many persons
are suspicious
of
Patent Medicines
and well they may, as the
impositions are numerous and gigan-
tic. In order, however, to guard consumers
against deception by a base compound, the analysis
of
Dr. A. A. HAYES,
State Assayer,
proving the above statements, is annexed:

"I have analyzed the Worm Lozenges
prepared by Mr. FELLOWS & CO., and
find that they are free from Mercury, and
other metallic or mineral matter. These
Lozenges are skillfully compounded, pleas-
ant to the taste, safe, yet sure and effective
in their action."
Respectfully,
A. A. HAYES, M. D.
Assayer to the State of Mass.

PLEASE REMEMBER THAT
Fellows' Worm Lozenges
are prepared with great care from the concentrated
extracts of two plants. They do not act as a pur-
gative or emetic, will not debilitate the patient, are
so simple an infant may devour a whole box
without harm, and will at the same time
expel the worms in an extraordinary
manner.

Price 25 Cents per Box; Five Boxes for \$1.
The signature of FELLOWS & Co., is attached
to each genuine box.
Sold by Medicine dealers generally.
