

Washing Made Easy.

AMONG the latest improvements introduced into our town, we beg to call the attention of all those who have any regard for the comfort of their women folk, (and they must be savages of the vilest kind, who have no regard for the comfort of women) to a Washing and Wringing Machine, which may well be denominated Washing Made Easy.

Said Machines will wash and wring, and very nearly dry, the dirtiest garments that any man can put off, from his dirty body, in less time than his good lady (to say his woman is vulgar) will take to fry the buckwheat cakes, and he himself may nurse the baby, turn the handle, and smoke his pipe at the same time. No human man ought to be without one, as it will keep peace and comfort in the diggings at the same time. Said Machines are for sale at the shop of JAMES ROBERTSON, where you will get your Watches and Clocks carefully adjusted, and at prices and mode of payment to suit the times.

Woodstock, Oct. 27, 1864.

[From the Richmond Whig.]

he Charleston Courier makes a timely suggestion in recommending the attention of our government to the naturalization and cultivation of the soil, for the preservation of the health of our soldiers. The article has a peculiar effect upon the liver, and guards the system against disease by exposure and irregular diet. It is said that the great success of the Plantation Bitters of Dr. Drake, which, previous to our unhappy difficulties was found most Southern homes, was owing to the extract of Calisaya Bark which it contained as one of its principal ingredients.

"In confirmation of this, we have heard one of our most distinguished physicians remark, that whenever he felt unwell from ordinary diet or atmospheric causes, he invariably relieved himself by Plantation Bitters. Now that these Bitters cannot be obtained, a substitute should be prepared.—We understand our government has opened negotiations with Dr. Drake, through a secret agent, but with what truth we do not know."

We are exceedingly obliged to the Richmond Whig for its remembrance of "Add Long Syn," but we can assure "Our Government" that the Plantation Bitters are not for sale to any "secret agents," North or South. There is probably several other things that "Our Government" will get want.

We know that we have the best and most popular medicine in the world, we are not afraid to show what it is composed of.

Physicians are compelled to recommend it.

CALISAYA BARK has been celebrated for over two hundred years, and was sold during the reign of Louis XVI, King of France, for the enormous price of its own weight in silver. It is remarkable for Dyspepsia, Fevers, Weakness, Constipation, &c.

CASCARILLA BARK.—For Diarrhea, Colic, and diseases of the stomach and bowels.

DANIELSON.—For Inflammation of the Lungs and Dropsical Affections.

CHAMMILL FLOWERS.—For enfeebled digestion.

LAVENDER FLOWERS.—Aromatic, stimulant and tonic—highly invigorating in nervous debility.

WINTERGREEN.—For Scrofula, Rheumatism, &c.

ANISE.—An aromatic carminative; creating flesh, muscle and milk; much used by mothers nursing.

Also, clove buds, orange, cayenne, coriander, snake-root, &c.

S.—T.—1860.—X.

Another wonderful ingredient, of Spanish origin, imparting beauty to the complexion and brilliancy to the mind, is yet unknown to the commerce of the world, and we withhold its name for the present.

Humbags and quacks howl about the Plantation Bitters; but the following is what's the matter, and they know it.

PLANTATION BITTERS WILL CURE
Cold Exanthemas and Febrile Lips.
Sore Stomach and Febrile Breath.
Flatulency and Indigestion.
Nervous Affections.
Excessive Fatigue and Short Breath.
Pain over the eyes.
Mental Depression.
Prostration, Great Weakness.
Sallow Complexion, Weak Bowels.
LIVER COMPLAINT AND DYSPEPSIA.

Very particularly recommended to Clergymen, Merchants, Lawyers and persons of Sedentary habits. Also for delicate females and weak persons who require a gentle stimulant, free digestion, good appetite and clear mental faculties.

Sold by all respectable Physicians, Druggists, grocers, Hotels, Saloons, Country Stores, &c.

Be particular that each bottle bears the fac-simile of our signature on a steel-plate label, with our private government stamp over the cork.

P. H. DRAKE & CO.

202 Broadway, N. Y.

CROWN LAND OFFICE, Oct. 19, 1864.
Act has been approved.

Each applicant in this list must on or before the 28th of September, 1864, have cleared and cultivated not less than 2 acres on the lot approved to him, and paid in money or labor not less than one quarter of the purchase money, or else the approval will be cancelled.

Commissioners under the Labour and Commutation Acts are reminded that they have no authority to assign Labour to any applicant until his Petition shall have been approved by publication in the Royal Gazette; and Labour returned for any applicant before approval of his Petition, will not be credited.
