LIUNNEWELL'S ECLECTIC PILLS.—THE TRUE FORM OF A CATHARTIC.—By the application of true Medical Laws, both character and economy are combined in this most valuable Pill. To prevent putting into the stomach such quantities of indigestible and 20 injurious drugs usually contained in Pills that require from four to six to get a decent cathartic, and to prevent the Griping Pains so erroneously judged to be evidence of character, was the study in this development. The dose seldom exceeding one, and never more than two Pills, settles the question of economy, and confidence is asked to test their true character in Dyspepsia, Costiveness, Biliousness, Liver Complaints, Piles, all derangements of the pie. Stomach and Bowels, and as a true Family Pill. For Worms they are a sure cure.
