SATURDAY, JUNE 4, 1864.

Mr. Gladstone has placed himself in the foremost ranks of that party of reformers, in England, who have hitherto been met, in their efforts, by a most powerful opposition in Parliament and from leading newspapers; and this accession is one which very properly makes the party jubilant, and augurs there success at no distant day. We copy the following

Mr. Gladstone a Reformer.

items of Mr. Gladstone's speech, made on a Bill introduced into Parliament having for its object the extension of the franchise - in Boroughs, from the Globe. After some general remarks with reference to the subject of reform, urging that Parliament had been too tardy in its legislation in this matter, and simply expressing the opinion that the extension of the franchise downward would not lead to the encouragement of bribery-we should like to have the reasons by which Mr. Gladstone arrives at this them on nomination day. opinion, and which, on this occasion, he declined to

give-Mr. Gladstone said:

chise, but this I say, not to be misunderstood, and of the working classes-at present almost infinitesimal-which is in possession of the franchise." He defined this sensible and considerable addition

to mean such as would have been made by the Bill submitted by the Government in 1860, and then above Woodstock, on her regular trip to the Grand

a measure lie with us? What is the present state of the constituency, any departure from which the and proceed to Fredericton for repairs. hon. gentlemen deprecates as a "domestic revolution." At present we have, speaking generally, a fiftieth of the whole working classes. (Hear hear.) the beatings. Is that a state of things which it would be a domestic revolution to meddle with? (Cheers.) I contend, then, that it is on the hon, gentleman the burden of proof lies (" Oh, Oh," from the opposition); that it is for them to show the unworthiness, on Sunday last. The funeral was conducted with the incapacity, and the misconduct of the working Masonic solemnities, and was largely attended. classes. ("Oh, Oh," from the opposition and counter cheers.) We are told that the working classes don't agitate, but is it desirable that we dies, from Houlton, came over on Tuesday for a should wait until they do agitate?
