[From the Richmond Whig.]
The Charleston Courier makes a timely suggestion in
recommending the attention of our government to the na-
turalization and cultivation of California, for the preser-
vation of the health of our soldiers. The article has a
peculiar effect upon the liver, and guards the system against
disease by exposure and irregular diet. It is said that the
great success of the Plantation Bitters of Dr. Drake, which
prevents our unhappy difficulties was found in most South-
ern homes, was owing to the extract of Calisaya Bark
which it contained as one of its principal ingredients.
"In confirmation of this, we have heard one of our most dis-
tinguished physicians remark, that whenever he felt un-
well from ordinary dietetic or atmospheric causes, he in-
variably relieved himself by Plantation Bitters. Now that
these Bitters cannot be obtained, a substitute should be pre-
pared.—We understand our Government has opened nego-
tiations with Dr. Drake, through a secret agent, but with
what truth we do not know."

We are exceedingly obliged to the Richmond Whig for
its remembrance of "Asid Ping Syne," but we can assure
"our Government" that the Plantation Bitters are not for
sale to any "secret agents," North or South. There is
probably several other things that "our Government" will
yet want.
We know that we have the best and most popular medi-
cine in the world. We are not afraid to show what it is com-
posed of.
Physicians are compelled to recommend it.
CALISAYA BARK has been celebrated for over two hun-
dred years, and was sold during the reign of Louis XVI,
King of France, for the enormous price of its own weight
in silver. It is remarkable for Dyspepsia, Fevers, Weak-
ness, Constipation, &c.
CASCARILLA BARK.—For Diarrhea, Colic, and diseases
of the stomach and bowels.
DANDELION.—For inflammation of the Lungs and Dropsi-
cal Affections.
CHAMOMILE FLOWERS.—For enfeebled digestion.
LAVENDER FLOWERS.—Aromatic, stimulant and tonic—
highly invigorating in nervous debility.
WINTERGREEN.—For Scrofula, Rheumatism, &c.
ANISE.—An aromatic carminative; creating flesh, mus-
cle and milk; much used by mothers nursing.
Also, clove buds, orange, caraway, coriander, snake-
root, &c.

S-T-1860-X.
Another wonderful ingredient, of Spanish origin, im-
parting beauty to the complexion and brilliancy to the
mind, is yet unknown to the commerce of the world, and
we withhold its name for the present.
Humbugs and quacks howl about the Plantation Bit-
ters; but the following is what's the matter, and they
know it:

PLANTATION BITTERS WILL CURE
Cold Extremities and Feverish Lips.
Sour Stomach and Fetid Breath.
Flatulency and Indigestion.
Nervous Affections.
Excessive Fatigue and Short Breath.
Pain over the eyes.
Mental Despondency.
Prostration. Great Weakness.
Fallow Complaint, Weak Bowels.
LIVER COMPLAINT AND DYSPEPSIA.

Very particularly recommended to Clergymen, Mer-
chants, Lawyers and persons of Sedentary habits. Also
for delicate females and weak persons who require a gen-
tle stimulant, free digestion, good appetite and clear men-
tal faculties.

Sold by all respectable Physicians, Druggists, grocers,
Hotels, Saloons, Country Stores, &c.
Be particular that each bottle bears the fac-simile of
our signature on a steel-plate label, with our private gov-
ernment stamp over the work.

ONE OF
Hunnell's Great Remedies.
HUNNEWELL'S UNIVERSAL COUGH REMEDY.

The basis of this truly wonderful preparation, now
of such well-earned celebrity, is a freedom from every
component calculated to debilitate and by such to allow
the greatest freedom of use, day or night, as the only true
theory by which *Throat and Lung Complaints* can be ef-
fectually cured.

To prevent asking attention to long stories of great
cures, when local causes make almost all such complaints
different in effect, I would ask confidence, which will be
sacred, in *Coughs, Hoarseness, Sore Throat, Bron-
chitis, and Asthmatic Complaints, Whooping Cough, and*
to all *Throat and Lung Complaints*, which, when neglected,
lead to Consumption. Testimonials from Physicians of
