

FELLOWS' WORM LOZENGES

are without exception, the most extraordinary Medicine of the Age.

Remarkable power in Expelling Worms, WITH PLEASANT TASTE AND PERFECT SAFETY.

THEY CONTAIN

No Mercury.
No Turpentine.
No Oil of Wormseed.
No Poison.
Nothing Injurious.

They are entirely Vegetable.
Make Pale Faces Rosy.
A Health Restorer.
The Children's Friend.

BY THEIR USE

THE DWELLING PLACE OF

WORMS

is made disagreeable to them and thereby they cause their EXPULSION.

SYMPTOMS OF WORMS.

Itching of the nose, feverishness, twitching or starting suddenly during sleep, pain in the stomach, loss of flesh, paleness with hectic, appetite sometimes voracious at others feeble, a dulness of the eyes, drowsiness, a swelled upper lip, tongue whitely furred and studded with red spots, fetid or garlic breath, grinding of teeth during sleep, a sensation of lodgment in the throat, an unnatural craving for dirt, chalk, or clay, fretfulness and irritability of temper, choleric, fits and palsy.

Intestinal Worms

Are among the first to undermine the constitution in the list of diseases. They often occasion severe disease, ending sometimes fatally, particularly when they ascend to the stomach. Their presence in their most ordinary situation is attended with unfavorable effects upon the general health.

Eminent Men Assert

That all are more or less troubled with worms, and that many die annually from this cause, who, by the timely administration of a proper remedy would be saved.

FELLOWS' WORM LOZENGES

may be taken without any unpleasant result, and as most children are fond of them, their use is recommended to those apparently healthy, and thus dispel the cause of what would produce suffering.

Be Careful what you Use.

Various remedies have from time to time been recommended, such as Calomel, Oil of Wormseed, Turpentine, &c., so that dangerous and even fatal consequences are produced. The necessity of a safe and sure remedy has caused much research and study by the proprietors of FELLOWS' WORM LOZENGES. They are positively safe, pleasant and effectual. They do not kill the worms, but act by making their dwelling place disagreeable to them.

Avoid Deception.

Very many persons are suspicious of Patent Medicines and well they may, as the impositions are numerous and gigantic. In order, however, to guard consumers against deception by a base compound, the analysis of

Dr. A. A. HAYES, State Assayer, proving the above statements, is annexed:

"I have analyzed the Worm Lozenges prepared by Mr. FELLOWS & CO., and find that they are free from Mercury, and other metallic or mineral matter. These Lozenges are skillfully compounded, pleasant to the taste, safe, yet sure and effective in their action."

Respectfully,
A. A. HAYES, M. D.
Assayer to the State of Mass.

PLEASE REMEMBER THAT

Fellows' Worm Lozenges

are prepared with great care from the concentrated extracts of two plants. They do not act as a purgative or emetic, will not debilitate the patient, are so simple an infant may devour a whole box without harm, and will at the same time expel the worms in an extraordinary manner.

Fellows' Worm Lozenges

is the only Worm Remedy in existence combining harmless qualities with delicious taste and amazing power.
