ARRIVAL of DR. LA'MERT In Fredericton, N. B.

TO THE NERVOUS & DEBILITATED. DR. L. LA'MERT of 37 Bedford Square, London, Member of the Royal College of Surgeons of England; Licentiate of the Royal College of Physicians of Edin-burgh; M. D. of the University of Erlangen, &c., begs to inform his patients, and others seeking confidential Medical advice, that he has arrived in FREDERICTON on his Professional visit, and may be consulted personally or A Fresh Stock of the undermentioned by letter on all cases of Nervous and Physical Debility, and on the various disorders resulting from Sedentary Habits, Excess, Accident, or Climate, daily, from 10 till 1, and 5 til 9, until the 4th of MARCH at Mr. Limerick's New House, King street, when his visit will positively

The numerous cures effected by Dr. La'Mert, during his previous sojourn in New Brunswick some in cases which have been pronounced hopeless, have led to many inquiries as to the probability of his making a second Professional visit to Fredericton, and it is in consequence of these inquiries that the above announcement is made. The great experience derived by Dr. La'Mert, both, whilst assissting his father, Dr. Samuel La'Mert, of London, in his extensive practice, and in the various hospitals of Continential Europe, affords an ample guarantee, to those seeking advice, of being under the care of a legally-qualified Practitioner. Dr. L La'Mert's name is to be found in the "Medical Register," published under the authority of the Medical Council of Great Britain, and is, consequently, not to be classed with the namesin many cases assumed—of a horde of adventurers, who, The above Stock will be sold at reduced through the public press, seek to impose upon the credulous and unwary, by the publication of pretended qualifications and the advocacy of specifies that are never bene-

ficial, and in most cases positively injurious.

Dr. La'Mert's work on "Self-Preservation," with Engravings and Cases, revised by Dr. L. La'Mert, Member of the Royal College of Surgeons of England, &c., describes how all the attributes of Manhood are lost or suspended, how they can be invigorated and restored to an advanced period of life, and is intended to enlighten thousands, on important subjects, in regard to which they are entirely ignorant. The work may be had in Fredericton, price 25 cents, or free by post for 50 cents of Mr. Charles J Davis, Druggist, Queen-st., and of Dr. L. La'Mert, at Mr. Limerick's new building, King-st. This is Dr. La'Mert's last visit to these Provinces.
