If it could not be built for that sum the existing arrangement with Great Britain, the

The Reporter is righteously shocked over alleged perversions by the Freeman, and yet indulges in misrepresentations himself as glibly as if it cost him no effort. Thus, in his comments upon the SENTI-NEL, in his issue of last week. We will not bandy sarcasm with the Reporter, he is quite too vulnerable to such a weapon, to attempt to use it too freely. Yet are we not bound to treat the Reporter with that courtesy which we could desire, and his misrepresentations would be allowed to pass unnoticed were the subject not of too grave a nature to admit of anything but the truth.

1st. The Reporter says :

" The Editor of the Sentinel invited us to stump the County of Carleton with him on the impropri- treachery; a betrayer We agree with Mayor ety of a Federal Union."

This was not so; the question we suggested was the relative merits of Federal and Legislative Union We said :

"We have the utmost respect for the opinions of gentlemen of such experience as the Editor of the Reporter, but are not prepared to agree with him that the people of this Province, with a full and perwith Local Legislatures, rather than Legislative Union without them; at all events, we should not fear the result in a stump of the County of Carleton with our friend of the Reporter on the subject.'

This was over a month ago, and our opinion is unchanged.

2nd.
