ONE OF
HUNNEWELL'S GREAT REMEDIES.

HUNNEWELL'S UNIVERSAL COUGH REMEDY. The basis of this truly wonderful preparation, now of such well-earned celebrity, is a freedom from every component calculated to debilitate, and by such to allow the greatest freedom of use, day or night, as the only true theory by which *Throat* and *Lung Complaints* can be effectually cured.

To prevent asking attention to long stories of great cures, when local causes make almost all such complaints different in effect, I would ask confidence, which will be sacred, in *Colds, Coughs, Hoarseness, Sore Throat, Bronchial* and *Asthmatic Complaints, Whooping Cough*, and to all *Throat* and *Lung Complaints*, which, when neglected, end in *Consumption*. Testimonials from Physicians of the highest respectability, and from invalids, can be seen at my office by all interested.

FELLOW'S
ORIGINAL
WORM LOZENGES

WE Can with pride and confidence point to

Fellows' Worm Lozenges

as the most elegant and perfect REMEDY for those troublesome pests,

Intestinal Worms

After years of careful study and experiment success has crowned our efforts, and we now offer to the

WORLD,

a Confection without a single fault, being SAFE, CONVENIENT, EFFECTUAL and PLEASANT.

SAFE

Because no injurious result can occur, let them be used in whatever quantity.
They contain no Mineral Drug or Poisonous Ingredient; and bear in mind,
Not a particle of CALOMEL enters their composition.

CONVENIENT

Because they may be used without further preparation, and at any time.

PLEASANT

Because children will eagerly devour all you give them, and ask for more.

EFFECTUAL

Because they NEVER FAIL in expelling Worms from their dwelling-place, and they will always strengthen the weak and emaciated, even when he is not afflicted with worms.

With these facts before them, who can fail to acknowledge that

Fellows' Worm Lozenges

are all that can be desired by the most fastidious? They are becoming known throughout America, and are prescribed by many unprejudiced Physicians.

Do not be persuaded to take any other medicine in their stead, but should your Apothecary not have
FELLOWS' WORM LOZENGES.
we will forward a Box to any part of the Province, on receipt of 25 cents in Stamps.

Price 25 Cents per Box; Five Boxes for $1.
A liberal discount to the Trade.

☞CAUTION.—The success attending the introduction of "Fellows' Lozenges," has given rise to several imitations by unprincipled persons.—These prepared by us with our signature on the wrapper are the only ones combining harmless qualities with pleasant taste, and certain action in expelling Worms. The Genuine Lozenges are white in color. [45--1y]

St. John "TELEGRAPH."

Prospectus for 1865.

AFTER two years of uninterrupted success, the Proprietor of the St. John **TELEGRAPH** is enabled to state that, during the coming year, his Paper will be conducted with more vigor than ever. Neither ability, money, nor enterprise, will be spared to make the TELEGRAPH worthy of the people of the Province, and deserving of the very extensive patronage it has received from all classes of society and all parties in politics.

Within the past six months a DAILY has been added to our other editions; and we have great pleasure in stating that it has been well received in all quarters, and has become an institution of the country. We continue to send TRI-WEEKLIES to all who choose to order them, and have made arrangements to forward Subscribers, by mail, papers published on any

One, Two, or Three days of the Week

they may choose to name.

Between the DAILY, TRI-WEEKLY and WEEKLY Editions, over

12,000 copies of the TELEGRAPH are issued every week,

from our Printing Establishment, and our circulation is constantly on the increase.

The popularity which our journal has enjoyed, we are convinced, is due in a large measure to its non-party and independent course on political questions. We can assure all of our present patrons, and all who feel inclined to become Subscribers for the coming year, that this course shall not be departed from in the future. The acts of our politicians shall be carefully scanned, as usual, their merits receiving the proper meed of praise, and their faults being held up to public censure as they deserve.

The TELEGRAPH for '65

will be well supplied with Correspondence and other contributions from all parts of British America, and especially from all important points in the Lower Provinces; and the Editor will be assisted by gentlemen of talent and sound judgment in its management.

THE WEEKLY TELEGRAPH,

Published at the very low price of

One Dollar a Year,

Gives its Subscribers the largest and best collection of **Foreign and Local News** to be obtained in any paper in the Lower Provinces—together with Editorials on all the leading questions of the day; complete and correct Country Market Reports; details of City News; Correspondence from the Country Districts; and all other news matter in which the people of the Country Districts are interested. Particular attention is paid to the matter furnished in this Country Edition, and the tastes and wants of its Subscribers are most carefully consulted. As we publish in our Daily Edition some forty or forty-five columns of reading matter every week, it can be readily understood that we are thus allowed a wide margin for a choice of matter for the WEEKLY. Although the issues of our WEEKLY have given such general satisfaction that all our old friends are renewing their Subscriptions, we can confidently promise that

THE WEEKLY FOR '65
