## SATURDAY, SEPT. 30, 1865.

Trade and Navigation. We find in the Head Quarters of the 13th inst. the following digest of the returns, on Trade

and Navigation, of the Controller of Customs, St. John, for 1864 :-rather, if the phrase may be used, negatively congratulatory—the Province, he thinks, has to that pleasant fact. The imports from duties, to give a digest of the proceedings. of which the great bulk of the revenue is derived, were in 1864, much too heavy for the wants the most advantageous branch, the Controller!

that scarcely a foreign mail arrives here which does not bring a remittance to some of the peo-The revenue of the Province for the financial year ending 31st October, 1864, was \$1,060,815.-

crease of \$515,921.30. The total imports of 1864 were in value \$1. 863,615 stg, showing an increase of \$23,562 over those of 1863, which amounted to £1,029,

fact that new ships, our principle staple article of that body to the Provincial Institute was of export, are not included in our account of exports, although the outfits and fastenings are included in our import account. The value of our new ships built last year, with their first freight the value of the exports above mentioned, would favors from them. make £1,850,141 stg., as the value of exports against £1,853,615 stg., as the value of our imports; according to these figures there would remain a balance against the Province as excess of imports of £15,474 stg. But the earnings of our Boston papers. vessels abroad must have amounted to a very large sum last year, consequently the material interests of the Province must have progressed during that period.

Regarding the different sources of revenue, the The Railway Impost yielded \$181,994 07 in 1864, against \$138,300 28 in 1863.

Casual and Territorial revenue \$30,788 31 in in England on that day. 1864; \$23,293 56 in 1863.

The imports from the United Kingdom were increased last year, also from Nova Scotia, which that charming and useful magazine, Goder's conditions, and if the Governor Generalship of On entering the return course, both boats hugcline in the imports from the United States.

tons, 2,439 over the amount registered in 1854 copies, \$15; twenty copies, \$30, and an extra dead, I hope to be at its funeral and help to chant in this country, and they are raising money for three days. The English eleven were very strong lin this country, and they are raising money for three days. The English eleven were very strong lin this country, and they are raising money for all round being composed of centlemen where 61 of these new vessels, measuring 51,733 tons, were classed 7 A 1 at Lloyds. The total value of the new shipping registered last year amounted to £730,500, or \$3,520,800. The average value of vessels of the first grade
