Circular. Provincial Board of Agriculture.

Sir,-The Board of Agriculture being desirous that the most judicious expenditure should be made of the funds annually allowable to Agricultural Societies, so as to obtain the most permanent and beneficial results towards the furtherance of the Agricultural interests in the respective districts throughout the Province, and considering that the monies at the disposal of So-cieties might in many instances be better appropriated

Do you think that the money now obtainable by above mentioned the Societies from the Provincial chest, or a portion of the same, and what portion, could be better applied by placing same under the control of the Board of Agriculture for the purpose of procuring stock, improved implements, special manures, seeds, &c., for supplying the several Counties? If so. what conditions would you impose on Societies or individuals, to entitle them to same, and what restrictions as to use, sale or otherwise, so that an extended diffusion may be promoted, and the poorer farmers materially aided?

Do you think it would be advisable to limit the amount receivable as Provincial grant, to DOUBLE the amount of subscriptions and donations, instead of,—as is now the law—to treble the amount, and to appropriate the third so reserved, to such Societies, who import or purchase useful stock, seeds, implements, &c., y allowing them a liberal per centage on such purchases or expenditure?

What is your opinion as to the beneficial results of olding local Shows? and do you consider the benets commensurate with the expenditure? What is your opinion of the benefits of Provincial Exhibitions, and how often would you consider it advisable to hold them? Your answers to all or any of the above questions, received, and you are requested to forward the same to the Secretary of the Board, at St. Stephen, as early as

the 15th October, next. Officers of Societies will please confer with the Members of the same, and communicate accordingly. JAS. G. STEVENS, Sec'y. P. B. A. St Stephen, Aug. 1865.

The above Circular is published by Order of the Council of Carleton Co. Agricultural Society, for the
