GERMANY.—At a meeting of Holstein land proprietors, it was resolved to send an address to Austria and Prussia denouncing former address drawn up by Baron von Schell Plessen, urgently requesting convention of the Estates and demanding that rights and desires of Schleswig-Holstein to exist under their own Duke as part of Germany, be granted without restriction. Austrian Government refused to receive address, having determined on principle not to accept any manifestation, upon question of duchies.

Sir,—During a number of years I have been troubled with a swelling (Erysipelas) in my limbs. After long applying the most popular remedies in use, I at length despaired of a cure, when a friend advised the use of your Pain Eradicator, and to my surprise I was perfectly well before I had used one bottle.

Mrs. JOHN CONNELL.

SPECIAL NOTICE.

Cleanse the Blood.

WITH corrupt, disordered or vitiated Blood, you are sick all over, in some active disease, or it may merely keep you listless, depressed and good for nothing. But you cannot have good health while your blood is impure. AYER'S SANGUINARIA purges out these impurities and stimulates the organs of life into vigorous action, restoring the health and expelling disease. Hence it rapidly cures a variety of complaints, whether caused by impurity of the blood, such as *Scurvy, or King's Evil, Tumors, Ulcers, Sores, Eruptions, Pimples, Blisters, Itch, St. Anthony's Fire, Ringworm, Scald Head, Salt Rheum, Scald Head, Ringworm, Cancer, or Cancerous Tumors; Sore Eyes; Female Diseases, such as Retention, Irregularity, or Suppression; Whites; Stricture; also Syphilis or Venereal Diseases; Liver Complaints; and Heart Diseases.* Try AYER'S SANGUINARIA, and see for yourself the surprising activity with which it cleanses the blood and cures these disorders.

During late years the public have been misled by large bottles, pretending to give a quart of Extract of Sarsaparilla for one dollar. This is a cheap imitation of the real Sarsaparilla, which has followed the use of the various extracts of Sarsaparilla which flood the market, until the name itself has become synonymous with imposition and cheat. Still we call it by compound name, and intend to supply such a remedy as shall rescue the name from the load of obnoxiousness which rests upon it. We think we have secured for the relief of the afflicted, a remedy which we have reason to believe is by far the most effective purifier of the blood yet discovered by any body.

Ayer's Sanguinaria is so universally known to surpass every other remedy for the cure of Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consumption, and for the relief of Asthma, whooping Cough, and all the various diseases of the Throat, that it is in advanced stages of the disease, and it is useless here to recount the evidence of its virtues. The world knows them.

Prepared by J. C. AYER & CO., Lowell, Mass., and sold by Druggists everywhere. At Wholesale by George A. Bayard, St. John, N. B.; Avery, Brown, & Co., Halifax, N. S.

To the Electors of the County of Carleton.

GENTLEMEN.—As you will be called upon shortly to elect two Representatives for the General Assembly of this Province, I beg leave to inform you that I purpose to represent the County of Carleton, and to do so as low myself to be put in nomination as a Candidate for your suffrages.

I regret that more time could not have been given for deliberation on a matter of so much importance as the Federal Union of the Province, before people were called upon to decide a subject which has caused me much deep thought, and at first sight I must own that I had many grave doubts respecting the utility of the measure. I thought I could see many features in it of an objectionable nature, but after investigating the matter, and seeing the building of a great international highway, remove hostile tariffs between the Provinces, so that we may have a free interchange of commodities, together with other advantages I might mention, and seeing that it is necessary to our prosperity and well being; I have therefore resolved to give the measure my warmest support.

Having been born and bred, and always lived in this County, I have had ample opportunity to become acquainted with the wishes, feelings, and necessities of the people, and I think I have some knowledge of what measures would be beneficial and meet with your approbation, and should you honor me with your confidence, I shall do all in my power to subserve your interests and fulfil your expectations.

I intend to meet you at the hustings, if Providence permit, and give some further explanations of my views. I am, Gentlemen, your most obedient servant.

GEORGE STOCKNEY.
