I had my side severly hurt by a fall some four or five years ago, for which I had been under the treatment of several physicians, and used various patent and popular remedies without benefit, and never free of pain until last September, that I com-menced the use of Graham's Pain Eradicater, and was completely cured before I had used one bottle, and have not felt any symptoms since.

SPECIAL NOTICE.

Cleanse the Blood.

TITH corrupt, disordered or vitiated Blood, you are sick all over. It may burst out in Pimples br Sores, or in some active disease, or it may merely keep you listless, depressed and good for nothing. But you cannot have good health while your blood is imoure. AYER'S SARSAPARILLA purges out these impuri-ies and stimulates the organs of life into vigorous acion, restoring the health and expelling disease. Hence t rapidly cures a variety of complaints which are caused by impurity of the blood, such as Scrofula, or Kings Evil, Tumors, Ulcers, Sores, Eruptious, Pimples, Blotches, Boils, St. Anthony's Fire; Rose or Erysipelas; Tetter os Salt Rheum; Scald Head; Ring Worm; Cancer or Cancerous Tumors; Sore Eyes; Female Disesars, such as Retention; Irregularity; Suppression; Whites; Sterility; Also Syphilis or Venerial Diseases; Liver Complaints and Heart Diseases. Try AYER'S SARSAPARILLA, and see ofr yourself the surprising activity with which it cleanses the blood and cures these disorders.

During late years the public have been misled by large bottles, pretending to give a quart of Extract of Sarsaparilla for one dollar. Most of these have been frauds upon the sick, for they not only contain little, if any Sarsaparilla, but often no curative properties whatever. Hence, bitter disappointment has followed the use of the various extracts of Sarsaparilla which flood the market, until the name itself has become synonymous with imposition and cheat. Still we call this compound "Sarsaparilla," and intend to supply such a remedy as shall rescue the name from the load of obloquy which rests upon it. We think we have ground for believing it has virtues which are irresistible by the ordinary run of the disease it has intended to cure. We can only assure the sick, that we offer them the best alterative which we know how to produce, and we have reason to believe it is by far the most effectual purifier of the blood yet discovered by any
