Mr. Gilbert asked shrewdly how it was Costigan's, 120 feet long, \$300." The whole amount expended last year between ates on account of their views that it was pre-

Fredericton and St. Francis was, it appears, pared and introduced by the late Government.

Mr. McMillan, Mr. Connell, and others, said that \$5,968.96. FREDERICTON, May 19. There was not much business done in the House to-day, although a great deal of labour was performed, that is, if talking can be designated labour, but really from the way that some hon, gentlemen indulge in long speeches, one would be led to believe that they took a peculiar ings under the law last year were very credita- of the corps. pleasure in hearing the sound of their own voi- ble affairs; we fancy the Attorney General was ces, and that speaking is an agreeable pastime. not at drill either in York or Carleton. In the first place, after the introduction of a Mr. Lindsay made a good speech, and one unformal bill by the Provincial Secretary in rela- der which some hon. members winced. He asktion to supply, Mr. Gilbert moved that the House ed what had brought about the change in the go into Committee further to consider his bill for simplifying the law, and a long debate on the propriety of taking it up, was indulged in. By in the Government, (he was not when he and discussing the bill in this way, with the Speaker in the Chair, the discussion was shortened as he, Mr. L. fought side by side last year, and when he, Mr. Smith, proposed to reduce the grant from

the St. Stephen Branch Railway Company. Mr. Hill urged the importance of passing the measure, as it was necessary to the carrying on of a very desirable public work, and a large majority of the necessary to the town asked for it by retition. He read the petition, signed by 157 gentlemen, Mr. Smith changed his mind? was it because the representing \$800,000 of the property owned in the town, while the whole value of the property was valued at only \$1,000,000. Col. Boyd opposed the hill, and he presented a counter petiposed the bill, and he presented a counter peti- his mind about militia, how about the Governor's tion, signed by 74 of the inhabitants of the town salary? Mr. Smith and I perfectly agreed on against the measure. He thought no man or body of men should be given the power to impose a tax on their neighbors, and if this bill is pose a tax on their neighbors, and if this bill is pose a tax on their neighbors, and if this bill is pose a tax on their neighbors, and if this bill is pose a tax on their neighbors, and if this bill is pose a tax on their neighbors, and if this bill is pose a tax on their neighbors, and if this bill is pose a tax on their neighbors, and if this bill is pose a tax on their neighbors, and if this bill is possible together one year for \$5.00.

A holiday in the Legislature. Another annished about the difference; that is not a fair position; I say the off made statement that this is emphatically of the birth day of our Queen, God bless the control of the birth day of the Sutton and others, thought the bill should be British Government looks at it as do I, and the struction. construction \$50,000 before any of the deben- bye roads.
