the lower line of the said lot, and thence along the lower
line of the said lot, and thence along the lower line of
the said lot, and thence along the lower line of the said
lot, and thence along the lower line of the said lot, and
thence along the lower line of the said lot, and thence
along the lower line of the said lot, and thence along
the lower line of the said lot, and thence along the lower
line of the said lot, and thence along the lower line of
the said lot, and thence along the lower line of the said
lot, and thence along the lower line of the said lot, and
thence along the lower line of the said lot, and thence
along the lower line of the said lot, and thence along
the lower line of the said lot, and thence along the lower
line of the said lot, and thence along the lower line of
the said lot, and thence along the lower line of the said
lot, and thence along the lower line of the said lot, and
thence along the lower line of the said lot, and thence
along the lower line of the said lot, and thence along
the lower line of the said lot, and thence along the lower
line of the said lot, and thence along the lower line of
the said lot, and thence along the lower line of the said
lot, and thence along the lower line of the said lot, and
thence along the lower line of the said lot, and thence
along the lower line of the said lot, and thence along
the lower line of the said lot, and thence along the lower
line of the said lot, and thence along the lower line of
the said lot, and thence along the lower line of the said
lot, and thence along the lower line of the said lot, and
thence along the lower line of the said lot, and thence
along the lower line of the said lot, and thence along
the lower line of the said lot, and thence along the lower
line of the said lot, and thence along the lower line of
the said lot, and thence along the lower line of the said
lot, and thence along the lower line of the said lot, and
thence along the lower line of the said lot, and thence
along the lower line of the said lot, and thence along
the lower line of the said lot, and thence along the lower
line of the said lot, and thence along the lower line of
the said lot, and thence along the lower line of the said
lot, and thence along the lower line of the said lot, and
thence along the lower line of the said lot, and thence
along the lower line of the said lot, and thence along
the lower line of the said lot, and thence along the lower
line of the said lot, and
