

and expel disease. They purge out the foul humors which breed and grow distemper, stimulate sluggish or disordered organs into their natural action, and impart a healthy tone to the whole system. Not only do they cure the every-day complaints of every body, but also formidable and dangerous diseases. While they produce powerful effects, they are at the same time, in diminished doses, the safest and best medicine that can be employed for children. Being sugar-coated, they are pleasant to take, and being purely vegetable, are free from any risk of harm. Cures have been made which surpass belief, were they not substantiated by the public the reliability of our medicines, while others have seen to the assurance of our conviction that our preparations contribute immensely to the relief of our afflicted, suffering fellow men.

The Agent below named is pleased to furnish gratis our American Almanac, containing directions for the use and certificates of their cures, of the following complaints:

Coughs, Bilious Complaints, Rheumatism, Dropsy, Headache, Heartburn, Stomachic Disorders, Nausea, Indigestion, Morbid Inaction of the Bowels and Pain arising therefrom, Flatulency, Loss of Appetite, all Diseases which require an emollient, medicine. They also, by purifying the blood and stimulating the system, cure many complaints which it would not be supposed to reach, such as Deafness, partial Blindness, Neuralgia and Nervous Irritability. Derangements of the liver and kidneys, gout, and other kindred complaints arising from a low state of the body, or obstructions of its functions.

Do not be put off by unprincipled dealers with other preparations which they make more profit on. Demand Ayer's and take no other. The sick want the best aid there is for them, and they should have it.

Prepared by J. C. AYER & Co., Lowell, Mass., and sold by Druggists and Grocers everywhere. At Wholesale by George A. Bayard, St. John, N. B.; Avery, Brown, & Co., Halifax, N. S.
