THE VALUE OF SUNSHINE. - A merchant noticed, in the progress of years, that each suc- Properties and Houses for Sale or to lease, tessive book-keeper gradually lost his health among which are the followingand finally died of consumption, however vigorous and robust he was on entering the service. At length it occurred to him that a little rear room where the books were kept opened on a 100 acres, part of which is intervale, adjoining backyard so surrounded by high walls that no the Farm of Seymour J. Dibblee, near the town sunshine came into it from one year's end to of Woodstock, recently owned by Jas. McCann. another. An upper room well lighted was immediately prepared and his clerks had uniform good health thereafter. A familiar case to general readers is derived from medical works: An entire family became ill, and all remedies seementire family became ill, and all remedies seemliamstown Settlement, parish of Simonds, Carleed to fail of their usual results, when a window-pane in the family room was accidently Presque Isle, known as the property formerly owned broken. It was not repaired, though the weath- by Thos. Bridges. Terms of payment easy. er was cold, and forthwith there was a marked improvement in the health of the inmates. A French lady being ill, the most eminent physicians of her time were called in, but failed to live live live live May.

Testore her At length Dupuytran who No. restore her. At length, Dupuytren, "the Napeleon of physic," was consulted. He noticed that she lived in a dim room into which the sun THE House and premises situate on Main-st., never shone; he at once ordered more airy and cheerful apartments and all her complaints vancheerful apartments and all her complaints vanished. The lungs of a dog become inburculaished. The lungs of ted (consumptive) in a few weeks if kept confined in a dark cellar. The most common plant grows spindling, pale and scraggy, if kept conwined by Miss Niles. This is a neat and comfortable fined in a dark cellar. The greatest medical dwelling. Prices moderate and terms casy.

Man in France in the last century, regarded Woodstock, or the undersigned. pure air and sunshine as equal agents in restoring and maintaining health. From these facts, which cannot be disputed, the most common mind should conclude that cellars, and rooms on the northern side of buildings, or ap- THE subscribers would inform the public that they partments into which the sun does not immediately shine, should never be occupied as of family rooms, libraries or studies,. Such apartments are only fit for stowage, or purposes of superior quality, and which they will warrant to which never require persons to remain in them give entire satisfaction.
