## THE SUBMERGED MINE.

It was a singular place for a family meeting; with life in the English coal mining districts. Huldah Ray with her two little girls, had come to visit her husband, in the subterranean round, to enjoy the Sabbath with his household. Stephen greeted them fondly, kissed his children, hugging them one in eitheir arm, all unheeding that their mother was looking dubious- candle. ly at their pretty scarlet frocks, being anxious as to the style in which they would come from so intimate a contact with his garb. Papa kissed them, and they kissed papa; then he passed among his fellow workers exhibiting his dar- not obey you, my husband. Nay I will trust lings, and truly any father in the kingdom to God to keep you all till I can go and come would have reason to be proud of such child- again with help.

Stephen Ray so far had been able to support his wife and infants in comfort and respectability, so that before his cottage door were not seen the squalid looks of children who swarm in the gutters of the humbler quarters of every of stairs—then straight forward. great English city.

Huldah owned a set of magic fingers, capa- right ble of turning old things into new, and her litand child to a holiday in green fields, basking up in the gloom and distance. was no fair landscape, diversified by mountain invited him to lie in the green shade as he used to lie listening to the robin's song in the branhim of the times he had played truant to bait ed in and out among the stones of its bed; but collections to his mind.

down his light beside a little dog-kennel of an the children's feet. He raised and placed one excavation in the rocky wall of the mine. See! on either shoulder. And still the deluge deep he added, pointing a little higher-my initials, ened around, as little Jennie lisped: S. R.—I chiseled them out of the stone. A little farther on he paused again, with a subdued air. This is the very spot where my poor To render yet more awful the scene where lers; but hived 'em in a nail-keg tight, and father did his last work. It was in the month they must meet their fate, the rising flood wash- sold 'em for two dollars! of August, I remember; for I went up to at- ed over the feeble light and all was darkness. father, Huldah, was a clergyman.
