Carleton, St. John, N. B., May 15, 1865. Messrs. T. Graham & Co.—I had long been troubled with Neuralgia in my head and face, after producing the most excruciating Toothache, for which I had several teeth extracted. At a period when I was going to have two more taken out, I was advised to try Graham's Pain Expeller, and found immediate relief, and its use in a short time, made such an effectual cure, that it has not troubled me for the last eight or nine months. Yours, &c., Mrs. E. SEWELL.

SPECIAL NOTICE. Ayer's Cathartic Pills ARE the most perfect purgative which we are able to produce, or which we think has ever yet been made by any hands. Their effects have abundantly shown to the community how much they excel the ordinary medicines in use. They are safe and pleasant to take, but powerful to cure. Their purgative properties stimulate the vital activities of the body, remove the obstructions of its organs, purify the blood, and expel diseases. They purge out the foul humors which breed and grow distemper, stimulate sluggish or disordered organs into their natural action, and impart a healthy tone and strength to the whole system. Not only do they cure the every-day complaints of every body, but also formidable and dangerous diseases. While they produce no violent effects, they are at the same time, in diminished doses, the safest and best physic that can be employed for children. Being sugar-coated, they are pleasant to take, and being purely vegetable, are free from any risk of harm. Cures have been made which surpass belief, were they not substantiated by the public the reliability of our remedies, while others have sent us their names to certify to the public the reliability of our remedies, while others have sent us their names to certify to the public the reliability of our remedies, while others have sent us their names to certify to the public the reliability of our remedies.

The Agent below named is pleased to furnish gratis our American Almanac, containing directions for the use and authorities of their offices, of the following complaints: Coughs, Bilious Complaints, Rheumatism, Dropsy, Headache, Headache arising from indigestion, Nausea, Indigestion, Morbid Inaction of the Bowels and Pain arising therefrom, Flatulency, Loss of Appetite, all Diseases which require an evacuant medicine. They also, by purifying the blood and stimulating the system, cure many complaints which it would not be supposed to reach, such as Erysipelas, Scald Head, Neuralgia and Nervous Irritability, Derangements of the Liver and Kidneys, gout, and other kindred complaints arising from any state of the body, or obstructions of its functions.

Do not be put off by unprincipled dealers who offer preparations which they make more profit on. Demand Ayer's and take no others. The sick want the best and there is for them, and they should have it. Prepared by J. C. AYER & CO., Lowell, Mass., and sold by Druggists everywhere. At wholesale by George A. Bayard, St. John, N. B.; Avery, Brown & Co., Halifax, N. S.
