Circular.

Provincial Board of Agriculture.

To H. E. DIBBLEE, Esq.

SIR,—The Board of Agriculture being desirous that the most judicious expenditure should be made of the funds annually allowable to Agricultural Societies, so as to obtain the most permanent and beneficial results towards the furtherance of the Agricultural interests in the respective districts throughout the Province, and considering that the monies at the disposal of Societies might in many instances be better appropriated than in bestowing so much for premiums and the incidental expenses connected with local Shows,—desire to turn the attention of Societies to the matter in order to discover a better mode of expenditure, which would meet the approval of the Societies generally, stimulate to greater exertion, reward the enterprising, and permanently improve our husbandry.

Your consideration of the following queries and reply thereto, are therefore much desired.

Do you think that the money now obtainable by the societies from the Provincial chest, or a portion of the same, and what portion, could be better applied by placing same under the control of the Board of Agriculture for the purpose of procuring stock, improved implements, special manures, seeds, &c., for supplying the several Counties? If so, what conditions would you impose on Societies or individuals, to entitle them to same, and what restrictions as to use, sale or otherwise, so that an extended diffusion may be promoted, and the poorer farmers materially aided?

Or instead—

Do you think it would be advisable to limit the amount receivable as Provincial grant, to DOUBLE the amount of subscriptions and donations, instead of,—as is now the law—to treble the amount, and to appropriate the third so reserved, to such Societies, who import or purchase useful stock, seeds, implements, &c., by allowing them a liberal per centage on such purchases or expenditure?

What is your opinion as to the beneficial results of holding local shows? and do you consider the benefits commensurate with the expenditure?

What is your opinion of the benefits of Provincial Exhibitions, and how often would you consider it advisable to hold them?

Your answers to all or any of the above questions, as well as any other suggestions you can offer relating to the encouragement of Agriculture, will be gladly received, and you are requested to forward the same to the secretary of the Board, at St. Stephen, as early as the 15th October, next.

Officers of Societies will please confer with the Members of the same, and communicate accordingly.

(Signed) JAS. O. STEVENS,
St Stephen, Aug. 1865. Sec'y. P. B. A.

The above Circular is published by Order of the Council of Carleton Co. Agricultural Society, for the information of all concerned; and a Special Meeting of the Council of said Society is requested at the office of the President, on **Saturday**, 30th September, inst., at 3 o'clock, p. m., to consider the same, and the reply thereto.

H. E. DIBBLEE, President.

AGENTS WANTED

FOR

The Secret Service, the Field, the Dungeon, and the Escape.

By Albert D. Richardson, N. Y. Tribune Correspondent.

79,000 Copies Sold in Sixty Days!!!

The most interesting and exciting book ever published, embracing Mr. Richardson's unparalleled experience for four years. Travelling through the South in the secret service of the "Tribune" at the outbreak of the war, with our armies and fleets, both East and West, during the first two years of the Rebellion; his thrilling capture; his confinement for twenty months in seven different Rebel prisons; his escape, and almost miraculous journey by night of nearly 400 miles. It will abound in stirring events, and contain more of the fact, incident, and romance of the war, than any other work yet published. Horace Greeley says of it:—

"A great many books will yet be written concerning this war, in addition to the many already in print; but not one of them will give, within a similar compass, a clearer, fuller, more readable account, entirely from personal observation, of the nature, animus, purposes, tendencies, and instrumentalities of the slaveholders' Rebellion, than does the unpretending narrative of Mr. Richardson."

Teachers, ladies, energetic young men, and especially returned and disabled officers and soldiers, in want of profitable employment, will find it particularly adapted to their condition. Send for circulars. Address

FELLOW'S

ORIGINAL

WORM LOZENGES.

WE Can with pride and confidence point to

Fellows' Worm Lozenges

as the most elegant and perfect REMEDY for those troublesome pests,

Intestinal Worms

After years of careful study and experiment success has crowned our efforts, and we now offer to the

WORLD,

a Confection without a single fault, being SAFE, CONVENIENT, EFFECTUAL and PLEASANT.

SAFE

Because no injurious result can occur, let them be used in whatever quantity.
They contain no Mineral Drug or Poisonous Ingredient, and bear in mind,
Not a particle of CALOMEL enters their composition.

CONVENIENT

Because they may be used without further preparation, and at any time.

PLEASANT

Because children will eagerly devour all you give them, and ask for more.

EFFECTUAL

Because they NEVER FAIL in expelling Worms from their dwelling-place, and they will always strengthen the weak and emaciated, even when he is not afflicted with worms.

With these facts before them, who can fail to acknowledge that

Fellows' Worm Lozenges

are all that can be desired by the most fastidious? They are becoming known throughout America, and are prescribed by many unprejudiced Physicians.

Do not be persuaded to take any other medicine in their stead, but should your Apothecary not have

FELLOWS' WORM LOZENGES.

we will forward a Box to any part of the Province, on receipt of 25 cents in Stamps.

Price 25 Cents per Box; Five Boxes for $1.

A liberal Discount to the Trade.

CAUTION.—The success attending the introduction of "Fellows' Lozenges," has given rise to several imitations by unprincipled persons. These prepared by us with our signature on the wrapper are the only ones combining harmless qualities with pleasant taste, and certain action in expelling Worms. The Genuine Lozenges are white in color. [25--1y]
