Modern School Geography and Atlas.

PREPARED for the use of Schools in the British Provinces.

The Subscribers have the pleasure to announce that they have been appointed Sole Agents for the sale of the above valuable Geography in New Brunswick, and would respectfully inform Teachers and Parents that it is in many respects superior to any Text Book on Geography now used in our schools.

The Maps have been prepared with great care, and will be found very distinct and accurate.

"The plan which has been followed throughout is to impress upon the memory the great physical features, form and appearance of a continent or country, so that the scholar may have imprinted on his mind a *view of the country*, when the mountains, rivers, and general appearance of the country stand prominently out; leaving the minor details, such as subdivisions, towns, products, governments, &c., to be filled in upon the foundation of the firs tand most important part." &c.

Teachers, parents, etc., are invited to call and examine the work.

Our arrangements with the Publishers are such that we can supply the wholesale buyers at the *lowest trade prices*.
