. The Difference.

Saturday, February 3, 1866.

There still appears to be a great diversity of to a very large amount. opinion among the Fenian Brotherhood in the States, as to the course of action to be pursued at present by that body. At a public meeting of the Brotherhood at Newark, N. J. last week, General Sweeney strongly insisted upon the necessity of an immediate attack upon Canada, and the capture of a few of the leading men of Larlee, had a very narrow escape from the flames, by assassins in the guise of physicians. that Province as hostages for their captive brethren in Ireland. A report of this meeting says:

"When the General (Sweeney) hinted that roused from their slumbers by the flames and frozen to death. it would not be a bad thing to give her Majesty's smoke, Larlee in endeavoring to find his way out Governor General and Mr. D'Arcy McGee a was seized by one of the unfortunate victims in taste of the treatment meted to Clarke, Luby his agony, and came near being detained as a and O'Donovan Rossa, the whole audience rose to their feet and cheered again for the success prey to the fire. After Mr. Lariee had succeed-century of the movement and in appreciation of the stern | ed in getting out of the camp he heard cries for determination of the " veteran hero Sweeney and help proceeding from within, but when we state his armless sleeve." he himself had the hair burned from his head, his
