SPECIAL NOTICE.

STRENGTH FOR THE EXHAUSTED Thousands die, as it were, inch by inch, of bodily New Brunswick, and to endeavour with them to weakness; for debility will kill as certainly, though weakness; for debility will kill as certainly, though arrive, as I trust we may, at such a conclusion as will be satisfactory both to the colonies and the mother country.

The Marquis of Normandy.—As this is a question which effects the colony over which I recently presided. I trust your lordships will permit me to make one or two remarks. Her Majesty's me to make one or two remarks. Her Majesty's as a raging fever. Is it asked how the debilitated sustained and restored; the exhausted refilled with vital energy? We aver that of all invigorating preparations given by science to man, from the institution of the art of healing to the present hour, not one has wrought such wonders in the way of restoration as HOSTETTER'S can and Foreign Reviews, Magazines, &c.

CELEBRATED STOMACH BITTER'S. This is indeed the tonics of tonics.

As a ravitalizing strangth sup. me to make one or two remarks. Her Majesty's

Government act wisely in postponing any legislation on this question. It is one so vast and of such vital importance to the colonies affected, that although I am in favour of the union of the North American colonies, I feel that justice could not be done if it were attempted this year. The one which a constitution is one which a constitution of the paralysed physique. It not only awakens the physical powers from a state of collapse and inanition, but it imports nearest victor to the muscular and nearest powers.

St john aug 16

LELEBRATED STOMACH BITTER'S. This is indeed the tonic of tonics. As a revitalizing, strength-supporting, life-prolonging agent, tho like of it is not to be found in the catalogue of medicines. Among the various articles used to arouse the dormant powers of nature, it stands alone—the great awakener of the paralysed physique. It not only awakens the physical powers from a state of collapse and inanition, but it importance to the colonies affected, the tonic of tonics. As a revitalizing, strength-supporting the tonic of tonics. As a revitalizing the \$10 00 question is one which demands careful deliberation and much consideration. Although the union has received the sanction of the Legislature of the colony over which I presided, still there is in the colony considerable opposition to
