"JOHN" THE NEXT SOCIAL PROBLEM .- A San Francisco correspondent writing on the subject of immigration to the State of California, thinks that the next great social problem will be the status of the Chinese. In a few months or years he will cross the Rocky Mountains and begin to fill up the valley of the Mississippi. As soon as the Pacific Railroad is completed the path will be open to him. Millions can still be accommodated in the mines on the Pacific coast, but the South, with its fields of cotton, rice, and sugar, is the proper place for them, and as she is now prostrated by the ravages of war and the effects of famine, they are needed to recuperate town. 40 her exhausted energies. Soon the "negro question" will be lost in the " Chinese question," and then will come up the perplexing problems of his status in the community, his contracts and privileges. On the 1st of January, 1867, the sorted numbers; 20 bundles Iron Wire, annealed, for Colorado, the pioneer of a new line between binding Hay; 4 casks containing-Spring Rat Traps, San Francisco and China, will commence her Butt Hinges, Gridirons, Hooks and staples, Copper trips, and every arrival will bring from 1,000 to Bell Wire, T.
