In connection with our facilities for Shipping from Lettuce; Flag Leek; Water Cress; White Cabbage Fredericton, we have leased a Wharf at Carlton, Saint Lettuce; Variegated and Crimson Nasturtiums; Blood John, and all Lumber coming to our care that cannot be immediately taken care of at Fredericton, will be sent to Saint John by means of Wood-boats or towed down in rafts, where one of the firm will give his personal attention to wharfing and shipping the same. By these means we hope to do away with the detention that Lumber arriving at Fredericton during the height of water has been subjected to Charges reasonable, but at the same time high enough to ensure our giving every one his just dues.
