A COMMON SENSE VIEW

OF THE

MODE IN WHICH

HOSTETTER'S

STOMACH BITTERS

ACT UPON THE

HUMAN SYSTEM.

THIS is an age of enquiry. People want to know why and wherefore of all statements submitted to them as facts, and as far as this

Great Protective and Invigorant

is concerned, it is proposed to gratify them.

All the physicians admit that the greatest difficulty they encounter in their practice is in conveying to the seat of a disease the medicament that will counteract and neutralize it. Electricity has been tried for this purpose, but it is now generally admitted that the electric fluid is too subtle an agent to be made the vehicle of medication. It shocks the nerves, but can not distribute through the system anything except itself. Medicated electricity is, in short, an exploded humbug. But a liquid stimulant, as everybody knows, can be charged with the essential properties of any and every substance in the *Materia Medica*, and there is no herbial extract which will not hold in solution with all its preventative and curative virtues unimpaired.

Now the pure liquid stimulant of which

Hostetter's Bitters

are in part composed, is charged with invaluable vegetable remedies, and these by reason of its powerful diffusive principle, it conveys to every organ and introduces into the circulation. To use a common expression, it goes to the spot, taking with it just what is wanted there. The *essence of rye* would undoubtedly diffuse itself through the organization as swiftly if administered pure and simple, as if mixed with the juices of tonic and alterative roots, barks and herbs. But of what use would it be without their healing, strengthening, life-sustaining balm? It would merely *excite*. It could neither *protect* nor *cure*. And herein lies the essential difference between the effect of the purest stimulant when given *alone*, and the same stimulant when administered in the medicinal form of

Hostetter's Stomach Bitters.

Good Monongahela spirit is doubtless the mildest and most innocuous of all the varieties of liquor, but it only becomes a *healthful medicine* when impregnated with the vegetable elements employed in the preparation of the Bitters.

To Dyspeptic Sufferers.

Under the general head of Dyspepsia may be classed all the varieties of indigestion. Its symptoms are so various, and differ so much in different individuals, that it is almost impossible to classify them. In fact, some of them are utterly indescribable. It may be safely asserted, however, that half of the diseases of mankind spring from a disordered state of the stomach; and that the other half, whatever their origin, react upon that sensitive and important organ. Among the ordinary indications of dyspepsia are flatulence, bloated and full feeling about the stomach and abdomen immediately after eating a gnawing sensation, or a sense of hollowness at the pit of the stomach between meals, a heavy dull feeling in the head, feeble or unsteady appetite, occasional nausea, restlessness during the night, and a weary, unrefreshed feeling on rising in the morning, palpitation of the heart, depression of mind, sometimes amounting to monomania, loss of memory, confusion of thought, sour stomach, with raising of food, and a choking sensation in the throat, dimness of the eyes, pain in the diaphragm, feebleness and disinclination for exertion, and sometimes emaciation and a corpse-like pallor. These are a few of the *direct* signs of dyspepsia, but as it is generally complicated with specific affections of the bowels, the liver, and the nerves, its victims have many additional torments which are technically attributed to other causes.

The best advice that can be given to any one who has the slightest predisposition to dyspepsia, is to fortify his or her digestive organs by the daily use of

Hostetter's Bitters.

The disease proceeds from a lack of vigor in the stomach, and this vitalizing preparation will tone and renovate that organ. If the gastric apparatus is in good working order, and can perfectly dissolve and thoroughly assimilate the food submitted to its operation, there will be no dyspepsia. If it cannot do this, it *requires reinforcement*, and the best of all reinforcing agents should be forthwith resorted to. The stomach is the commissary of the system. It supplies the elements of life to the whole body. In it is prepared the material of blood, muscle, bone and fibre, and if it fails to purvey that material in sufficient quantity, and of a proper kind, the whole body suffers, and with it the mental faculties. Therefore protect the "Commissary Department." Don't let the enemy obtain possession of it. It is easier to prevent disease from getting into an organ than to expel it after it becomes a "chronic fixture." Consider the first indication of uneasiness in the stomach as a sign that dyspepsia is preparing to attack, and baffle it at once with this *great repellant*.

But if it is too late to *prevent*, remember that it is *not too late to cure*. It is believed that there is no case of chronic indigestion that can withstand the remedial operation of

Hostetter's Stomach Bitters.

This belief is grounded on *twelve year's experience* of the efficacy of the preparation. The first instance of its failure to give relief is yet unchronicled. If it ever had failed, the voluminous correspondence addressed to the proprietors from all parts of the United States and South America would at least include one letter expressing dissatisfaction. But no, *there is not one*. The testimony extending over a period of more than a dozen years, is all of the same approving tenor. Certainly this is a sufficient warrant for claiming that the Bitters are a *Specific for Indigestion in all its varieties*.

Ayer's Sarsaparilla,

A compound remedy, in which we have labored to produce the most effectual alterative that can be made. It is a concentrated extract of Para Sarsaparilla, so combined with other substances of still greater alterative power as to afford an effective antidote for the diseases Sarsaparilla is reputed to cure. It is believed that such a remedy is wanted by those who suffer from Strumous complaints, and that one which will accomplish their cure must prove of immense service to this large class of our afflicted fellow-citizens. How completely this compound will do it has been proven by experiment on many of the worst cases to be found of the following complaints:—

SCROFULA AND SCROFULOUS COMPLAINTS, ERUPTIONS AND ERUPTIVE DISEASES, ULCERS, PIMPLES, BLOTCHES, TUMORS, SALT RHEUM, SCALD HEAD, SYPHILIS AND SYPHILITIC AFFECTIONS, MERCURIAL DISEASE, DROPSY, NEURALGIA OR TIC DOULOUREUX, DEBILITY, DYSPEPSIA AND INDIGESTION, ERYSIPELAS, ROSE OR ST. ANTHONY'S FIRE, and indeed the whole class of complaints arising from IMPURITY OF THE BLOOD.

This compound will be found a great promoter of health, when taken in the spring, to expel the foul humors which fester in the blood at that season of the year. By the timely expulsion of them many rankling disorders are nipped in the bud. Multitudes can, by the aid of this remedy, spare themselves from the endurance of foul eruptions and ulcerous sores, through which the system will strive to rid itself of corruptions, if not assisted to do this through the natural channels of the body by an alterative medicine. Cleanse out the vitiated blood whenever you find its impurities bursting through the skin in pimples, eruptions, or sores; cleanse it when you find it is obstructed and sluggish in the veins; cleanse it whenever it is foul, and your feelings will tell you when. Even where no particular disorder is felt, people enjoy better health, and live longer, for cleansing the blood. Keep the blood healthy, and all is well; but with this pabulum of life disordered, there can be no lasting health. Sooner or later something must go wrong, and the great machinery of life is disordered or overthrown.

Sarsaparilla has, and deserves much, the reputation of accomplishing these ends. But the world has been egregiously deceived by preparations of it, partly because the drug alone has not all the virtue that is claimed for it, but more because many preparations, pretending to be concentrated extracts of it, contain but little of the virtue of Sarsaparilla, or any thing else.

During late years the public have been misled by large bottles, pretending to give a quart of Extract of Sarsaparilla for one dollar. Most of these have been frauds upon the sick, for they not only contain little, if any, Sarsaparilla, but often no curative properties whatever. Hence, bitter and painful disappointment has followed the use of the various extracts of Sarsaparilla which flood the market, until the name itself is justly despised, and has become synonymous with imposition and cheat. Still we call this compound Sarsaparilla, and intend to supply such a remedy as shall rescue the name from the load of obloquy which rests upon it. And we think we have ground for believing it has virtues which are irresistible by the ordinary run of the diseases it is intended to cure. In order to secure their complete eradication from the system, the remedy should be judiciously taken according to directions on the bottle.

PREPARED BY
DR. J. C. AYER & CO.
LOWELL, MASS.
Price, $1 per Bottle; Six Bottles for $5.

Ayer's Cherry Pectoral

has won for itself such a renown for the cure of every variety of Throat and Lung Complaint, that it is entirely unnecessary for us to recount the evidence of its virtues, wherever it has been employed. As it has long been in constant use throughout this section, we need not do more than assure the people its quality is kept up to the best it ever has been, and that it may be relied on to do for their relief all it has ever been found to do.

Ayer's Cathartic Pills,

FOR THE CURE OF

Costiveness, Jaundice, Dyspepsia, Indigestion, Dysentery, Foul Stomach, Erysipelas, Headache, Piles, Rheumatism, Eruptions and Skin Diseases, Liver Complaint, Dropsy, Tetter, Tumors and Salt Rheum, Worms, Gout, Neuralgia, as a Dinner Pill, and for Purifying the Blood.

They are sugar-coated, so that the most sensitive can take them pleasantly, and they are the best aperient in the world for all the purposes of a family physic.

Price 25 cents per Box; Five boxes for $1.00.

Great numbers of Clergymen, Physicians, Statesmen, and eminent personages, have lent their names to certify the unparalleled usefulness of these remedies, but our space here will not permit the insertion of them. The Agents below named furnish gratis our AMERICAN ALMANAC, in which they are given; with also full descriptions of the above complaints, and the treatment that should be followed for their cure.

ROWE & SHERMAN,

Shipping, Forwarding & General Commission Merchants,

Fredericton & St. John, N. B.

WE would respectfully inform the public that we are prepared to attend to all branches of the **Forwarding & Commission Business,** and will pay particular attention to the

Wharfing and Shipping of Lumber.

In connection with our facilities for Shipping from Fredericton, we have leased a Wharf at Carlton, Saint John, and all Lumber coming to our care that cannot be immediately taken care of at Fredericton, will be sent to Saint John by means of Wood-boats or towed down in rafts, where one of the firm will give his personal attention to wharfing and shipping the same. By these means we hope to do away with the detention that Lumber arriving at Fredericton during the height of water has been subjected to.

Charges reasonable, but at the same time high enough to ensure our giving every one his just dues. Consignments solicited.

BROWN'S BRONCHIAL TROCHES

A Slight Cold, Cough, *Hoarseness, or Sore Throat, which might be checked with a simple remedy, if neglected, often terminates seriously. Few are aware of the importance of stopping a Cough or Slight Cold in its first stage; that which in the beginning would yield to a mild remedy, if not attended to, soon attacks the lungs.*

Brown's Bronchial Troches were first introduced eleven years ago. It has been proved that they are the best article before the public for Coughs, Colds, Bronchitis, Asthma, Catarrh, the Hacking Cough in Consumption, and numerous affections of the Throat, giving immediate relief.

Public Speakers and Singers, *will find them effectual for clearing and strengthening the voice.*

Sold by all Druggists and Dealers in Medicine, at 25 cents per box.
