FELLOW'S
[ORIGINAL
WORM LOZENGES.

WE Can with pride and confidence point to

Fellows' Worm Lozenges

as the most elegant and perfect REMEDY for those troublesome pests,

Intestinal Worms

After years of careful study and experiment success has crowned our efforts, and we now offer to the

WORLD,

a Confection without a single fault, being SAFE, CONVENIENT, EFFECTUAL and PLEASANT.

SAFE

Because no injurious result can occur, let them be used in whatever quantity.
They contain no Mineral Drug or Poisonous Ingredient; and bear in mind,
Not a particle of CALOMEL enters their composition.

CONVENIENT

Because they may be used without further preparation, and at any time.

PLEASANT

Because children will eagerly devour all you give them, and ask for more.

EFFECTUAL

Because they NEVER FAIL in expelling Worms from their dwelling-place, and they will always strengthen the weak and emaciated, even when he is not afflicted with worms.

With these facts before them, who can fail to acknowledge that

Fellows' Worm Lozenges

are all that can be desired by the most fastidious? They are becoming known throughout America, and are prescribed by many unprejudiced Physicians.

Do not be persuaded to take any other medicine in their stead, but should your Apothecary not have

FELLOWS' WORM LOZENGES.

we will forward a Box to any part of the Province, on receipt of 25 cents in Stamps.

Price 25 Cents per Box; Five Boxes for $1.

A liberal discount to the Trade.

CAUTION.—The success attending the introduction of "Fellows' Lozenges," has given rise to several imitations by unprincipled persons. These prepared by us with our signature on the wrapper are the only ones combining harmless qualities with pleasant taste, and certain action in expelling Worms. The Genuine Lozenges are white in color. [45—1y]

ROWE & SHERMAN,
Shipping, Forwarding & General Commission Merchants,
Fredericton & St. John, N. B.

WE would respectfully inform the public that we are prepared to attend to all branches of the **Forwarding & Commission Business**, and will pay particular attention to the

Wharfing and Shipping of Lumber.

In connection with our facilities for Shipping from Fredericton, we have leased a Wharf at Carleton, Saint John, and all Lumber coming to our care that cannot be immediately taken care of at Fredericton, will be sent to Saint John by means of Wood-boats or towed down in rafts, where one of the firm will give his personal attention to wharfing and shipping the same. By those means we hope to do away with the detention that Lumber arriving at Fredericton during the height of water has been subjected to

Charges reasonable, but at the same time high enough to ensure our giving every one his just dues. Consignments solicited.
