The mystery which surrounds the movements of Head Centre Stephens can hardly be said to be removed by the statement now made by a Cork paper, to the effect that the notorious Fenian leader made his escape this week from Ireland, and is now on his way to America, whither, it is said, his wife intends immediately to follow him. It is reported that, before leaving, Stephens enjoined upon the members of the Brotherhood in Ireland to attend more to their peaceful pursuits than they have been doing for some time. If these are really the parting counsels of the Head ing of-Centre, it may be said that nothing in Ireland The Hersey Plow, became him so much as his manner of leaving it. Numerous further arrests of Fenian soldiers and Irish Americans have been made in Dublin, and numbers have also been arrested in the Provinces. The rumoured escape from the country of Stephens is not confirmed, but his wife sailed from Cork for America on Thursday. The soldiers found guilty of Fenianism in Enniskillen have been sentenced to be flogged-a comparatively mild punishment, considering the capital of the nature of their offence.—English paper.
