MELROSE, July 19, 1865. DR. E. R. KNIGHTS-Dear Sir:-I have used Dr. Larookah's Syrup in my family for six years, and have found it an excellent remedy for Coughs, Colds, Sore Throats, and all consumptive complaints, &c. I have recommended it to several friends, who have received great benefits from its use.

Mrs. J. R. Burtis, 114 East 23rd st., N. Y., writes Oct. 9 1864: "During last winter three of my children were attacked with Croup, and from the violence of the symptoms, they were pronounced to be in much danger. At the instance of our paster, Rev. Mr. Stiles, I tried Larookah's Pulmonic Syrup, which promptly relieved them, and in a very short time they recovered. In gratitude for the benefit conferred, I cannot refrain from making this testimony public."

Whooping Cough. E. W. MAYER, of Carleton, N. B, writes 7th Dec. 1859: "My son, five years old, was a few months since suffering greatly from Whooping Cough. I never saw Theo. My cough distressed me so much that I was reduced to a mere skeleton, and my friends lost all hope of my recovery. As a last resort I tried Larookah's Pulmonic Syrup. Following your directions closely. I soon began to ex perience a feeling of relief, and after the use of three large bottles, I am entirely well and able to follow my usual occupation."
