CHILDREN TEETHING

MRS. WINSLOW An experienced Nurse and Female Physician, presents

to the attention of mothers, her SOOTHING SYRUP.

For Children Teething, which greatly facilitates the process of teething, by softening the gums, reducing all inflamation-w

allay all pain and spasmodic action, and is

SURE TO REGULATE THE BOWELS. Depend upon it, mothers, it will give rest to your-Relief and Health to your Infants. We have put up and sold this article for over thirty years, and can say, in cofidence and truth of it, what we have never been able to say of any other medicine-NEVER HAS IT FAILED IN A

SINGLE INSTANCE to EFFECT a CURM when timely used. Never did we know an instance of dissatisfaction by any one who used it. On the contrary, all are delighted with its operations, and speak in terms of highest commendation of its magical effects and medical virtues. We speak in this matter "what we do know," after thirty year's experience, and pledge our reputation for the fulfilment of what we here declare. In almost every instance where the infant is suffering from pain and exhaustion, relief will be found in fifteen or twenty minutes after the syrup is administered. This valuable preparation is the prescription of one of the most EXPERIENCED and SKILFUL NURSES in New England, and has been used with never failing success in

THOUSANDS OF CASES It not only relieves the child from pain but invigorates the stomach and bowels, corrects acidity, and gives tone and energy to the whole system. It will almost instantly relieve Griping in the Bowels, and Wind Colic,

and overcome convulsions, which, if not speedily rem edied, end in death. We believe it the best and surest remedy in the world, in all cases of DIS-ENTERY AND DIARRHOEA IN CHIL-DREN, whether it arises from teething, or from any other cause. We would say to every mother who has a child suffering from any of the foregoing complaints Standard English and American Books of every des-cription; do not let your prejudices, nor the prejudi-ces of others, stand between your suffering child and the relief that will be SURE-yes, ABSO LUTELY SURE-to follow the use of this medicine, if timely used.
