OF HUMORS,

PARTICULARLY

Erysipelas, Nettle Rash, Salt Rheum,

Scrofula, Carbuncles, Boils and Piles.

It is very easy to say of this, or any other Medicine, 'It is the very best Remedy known." It is not always so easy to prove it. It is, however, exceedingly gratifying to the proprietor of this Medicine, that, while he declares to the public that this is a most wonderful and the value of its reputation, and the amount of its sales.

In New Hampshire, where it was originated, no remedy

When the proprietor lived in New Hampsihre, at Goffstown Centre, for the space of thirty or forty miles around, and in Manchester particularly, the Humor Doctor was well known and highly valued for the numerous and won derful cures which it effected. Though manufactured in large quantities, the supply was frequently exhaust ed, and purchasers had to wait for more to be made. In that region, some very severe cases of erysipelas were treated with it,—and they were cured.
