It is very easy to say of this, or any other Medicine, so easy to prove it. It is, however, exceedingly gratifying to the proprietor of this Medicine, that, while he declares to the public that this is a most wonderful and effective Specific for Humors, as stated above, he has abundant proof at hand to sustain his statement. For sixteen years the HUMOR DOCTOR has been manufactured and sold, and every year has increased the value of its reputation, and the amount of its sales. An eminent physician (now an army surgeon,) when practising in N. H. purchased between fifty and sixty gallons of it, during some seven or eight years, and used it in his practice. He has since then ordered it for the Hospital where he was stationed. Other physicians have purchased it, and have used it in practice with great success. I very confidently and carnestly recommend Dr. J. W. Poland's Humor Doctor as an excellent remedy for Humors, having been wonderfully benefitted by it my. solf. My own case was a very severe and obstinate one. For more than two years the skin upon the inside of both my hands, and even down on the wrist, was constantly cracked and broken up, so that I was unable to use my hands in any kind of wet work, and was nary cases. obliged to wear gloves in sewing to avoid getting blood on my work. The humor which so afflicted me was probably a combination of Eryspelas and Salt Rheum.
