JOHN LEARY, R. K. JONES. SAMUEL WATTS. Mr. Clowse complained of the way the accounts had been kept, of the difficulty of people

understanding them, of the inadequacy of the way of keeping the accounts. He could not see how the late Secretary Treasurer could be held accountable for defalcation extending back more

Mr. Hay said that when he signed the bond, he supposed it only held him for the year in which it was given, and expired when the Secretary Treasurer was reappointed; he remained under this impression until last summer, when on the bond; he then went to Mr. McLean, who told him that he was his bondsman, but no harm

then told the Warden that he must take steps to relieve him. The Council would thus see that That they have attended to the duty with he was unaware that the bond was a continuous which had accrued in 1866. The bondsmen and interest. He had, therefore, under the cir-Your committee have found with regret, not- cumstances, to propose to the Council to pay the

bondsman could get from the property Mr. Robert Brown, the other bondsman, made County owing him.

Since the date of our Annual Circular the fees. Nor has there been, as it appears to your County could recover back of January, 1866. Lean. He should therefore move that the proposition to pay the County \$500, on condition shown a downward tendency in the market, ted accounts against the County which have of being relieved from further obligation under

Mr. Clowse-The difficulty seems to have excess in the arrivals or abundance of stock, the cessor. So far as the general business of the arisen from Mr. Hay's supposing that when he latter of which, indeed, is less than usual, and County and Parishes is concerned your commit- made the objection he did it cleared him, but he under ordinary circumstances would lead as to tee find the Auditor's book the much more com- should then have given the Secretary Treasurer up and got legally relieved if the bond was condemand from the country, we are not likely to Your committee find that in 1864 there was tinuous. He did not think the bond was holdpaid by the collector of Brighton the amount of ing beyond a year, and thought it should be re-

Mr. Leary-Of course the Warden will retain the bond until the amount proposed is paid. It should be stated here that this neglect does Mr. Shaw-I always understood McLean was under a continuous bond, and therefore felt easy Brighton with the County, as the whole amount If I was acting for myself I might think and vote was credited by the Auditor and comprised in differently with regard to this proposition, but his balances, from which the assessment of the as I am only the servant of others here I can't

Mr. Kilburn-If I consulted my own feelings Your committee have learned that there was I should give a silent vote in this matter. If it was a purely private transaction I should feel at liberty to consult my own feelings as to the amount of leinency with which the gentlemen (bondsmen), whom I very much esteem, should be treated. But I have to act for and justify In the Leger there is a minute of a note for my acts in the eyes of the rate payers of my pashould be caught in so unpleasant a position, but Mr. R. L. Armstrong holds a chaque on the accept the proposition. I should not bowever be too exacting, but would give them proper time to make up the deficiency, nor would I stand for a few hundred dollars. Mr. Gallop-I think the bondsmen should be

> Mr. Leary-As at the last settlement there agree with Mr. Gellop, and it would be unjust the committee, which showed the balance due. and was an assurance to the bondsmen at that time that they were safe. They are bound then for only \$890, and of this they offer \$500. If the Courcil go to law to recover it will cost at least \$100, and then the result is uncertain. I think we had better accept a certainty rather than an uncertainty. It would be persecution to make the sureties pay what they are not mor-

held for any deficiency subsequent to the last

Mr. Banks-Every Councillor should be governed by his own feelings and sense of justice in acting here for the electors. I believe that Messrs. Hay and Brown supposed they were clear up to a short time before Mr. McLean left the country. This Board placed every confidence in Mr. McLean, regarding bim as a strictly honest man. It is a question whether we to law, and it is an unsafe experiment, throwing
