It is, however, exceedingly gratitying to the proprietor of this Medicine, that, while he declares to the public that this is a most wonderful and effective Specific for Humors, as stated above, he has abundant proof at hand to sustain his statement.

For sixteen years the Humon Doctor has been manufactured and sold, and every year has increased the value of its reputation, and the amount of its sales. In New Hampshire, where it was originated, no remedy for Humors is so highly prized. An eminent physician (now an army surgeon,) when practising in N. He has since then ordered it for the Hospital where he and have used it in practice with great success. When the proprietor lived in New Hampsihre, at Goffstown Centre, for the space of thirty or forty miles around, and in Manchester particularly, the Humor Doctor was well known and highly valued for the numerous and won derful cures which it effected. Though manufactured in large quantities, the supply was frequently exhaust ed, and purchasers had to wait for more to be made. It that region, some very severe cases of erysipelas were treated with it, - and they were cured.
